Overview

Libra-Tech Corporation has specialized in the procurement and installation of library and technical furniture for over 30 years. LTC works closely with libraries, library foundations, architects and library consultants across the Southwest, helping to prepare for the future and answer needs for the new role of a rapidly changing library. We are ready to meet the challenges of evolving technologies advancing into the library market through our many resources.

We offer a large range of services from space planning and budget analysis to project managing and installation that is always thoughtful of each individual library's requirements.

LTC is ready to use its considerable knowledge, resources and expertise to help you find that one perfect lounge chair or plan shelving for your entire library collection.
