Between Nouveau Construction and Technology Services, LP and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RCSP 211001 Job Order Contracting

General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as “TIPS” respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control.

The Vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor’s proposal. Once signed, if an awarded vendor’s proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail. Other documents to be included are the awarded vendor’s proposals, task orders, purchase orders and any adjustments which have been issued. If deviations are submitted to TIPS by the proposing vendor as provided by and within the solicitation process, this Agreement may be amended to incorporate any agreed deviations.

The following pages will constitute the Agreement between the successful vendors(s) and TIPS. Bidders shall state, in a separate writing, and include with their proposal response, any required exceptions or deviations from these terms, conditions, and specifications. If agreed to by TIPS, they will be incorporated into the final Agreement.

A Purchase Order, Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addenda to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addenda possible.

Terms and Conditions

Conflicts with RS Means Unit Price Book

If the terms of the solicitation referenced RS Means Unit Price Book occur, the RS Means Book shall control if it determines the legality of the solicitation award as it relates to the requisite Means Unit Price Book.

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell, or an authorized dealer, distributor or manufacturer for all products offered for sale to TIPS Members. All equipment proposed shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Davis Bacon Act

Davis Bacon Act requirements will be met when Federal Funds are used for construction and/or repair of buildings or as otherwise required by applicable statute or regulation.

Other Wage Rates

Other wage rates may be required by some TIPS Members and acceptance of a project by the Vendor may require the Vendor to comply with the TIPS Member's required wage rate.

Tax exempt status

Most TIPS Members are tax exempt and the related laws of the jurisdiction of the TIPS Member shall apply.

Assignments of Agreements

No assignment of Agreement may be made without the prior written approval of TIPS. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately **two (2) years** with an option for renewal extension for an additional **three (3)** consecutive **one (1) year** terms. The **first** renewal extension year shall be automatic unless the awarded vendor notifies TIPS of its objection to the first additional **one (1) year** renewal extension. If TIPS offers the **second and third one (1) year renewal extension terms**, the vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base term. Whether or not to offer the renewal extension years is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “start date” is the last day of the month that Award Notifications are anticipated as published in the Solicitation.

Example: *If the anticipated award date published in the Solicitation is August 27, 2020 but extended negotiations delay award until September 24, 2020 the end date of the resulting initial “two-year” term Agreement, (which is subject to an extension(s)) will still be August 31, 2022.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation’s Anticipated Award Date plus **two** years.

Example: *If the original term is approximately two years, and the solicitation provides an anticipated award date of August 27, 2020, the expiration date of the original two-year term shall be August 31, 2022.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall be August 31, 2023.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Total term of Agreement can be up to the number of years provided in the solicitation or as limited by statute.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

The awarded Vendor shall submit invoices or payment requests to the TIPS Member participating entity clearly stating "Per TIPS Agreement # xxxxxx." Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order or contract by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Pricing

Price increases will be honored according to the terms of the solicitation. However, the Vendor shall honor previous prices for thirty (30) days after written notification to TIPS of an increase, except any price changes related to the, then current, RS Means Unit Price Book is valid. Price of a specific Job Order Contract proposal to a TIPS Member shall not change within 60 days of date of proposal as a result of an updated RS Means Unit Price Book unless agreed by the TIPS Member. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to customer. Failure to render the participation fee to TIPS shall constitute a breach of this agreement and shall be grounds for termination of this agreement and any other agreement held with TIPS.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly

basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's work under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that

any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order or contract modification occurs, TIPS is to be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Form of Agreement and Reporting

If a vendor submitting an offer requires TIPS and/or TIPS Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal to the TIPS Member. TIPS does not require a review a TIPS Member's Job Order contract TYPE AIA or other similar Contract provided by the TIPS Member. This clause does not relieve the Vendor from the responsibility to report the contract execution and the amount of the contract and any change orders.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Registered sex offender restrictions: For work to be performed at schools, awarded vendor agrees that no employee of a sub-contractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or reasonably expected to be present. Awarded vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member's discretion. Awarded vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety measures: Awarded vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. TIPS, its agents, TIPS Members and employees shall not be made party to any claim for breach of such agreement.

TIPS and Region 8 ESC each reserve the right to audit the accounting of TIPS related purchases for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct random audits of Awarded Vendor's pricing that is offered to TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm to investigate any possible non-complying conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the format and at the location designated by Region 8 ESC or TIPS.

Choice of Law

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

Notes: Dear potential TIPS Vendor,

As you review the solicitation information, you are probably looking for detailed job specifications and a scope of work for which to submit a proposal. Because of the way TIPS and most other purchasing cooperatives procure contracts, there is no specific project to award. TIPS awards an IDIQ contract, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides for an indefinite quantity of supplies or services during a fixed period of time or life of the awarded agreement. This RCSP/solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS member entity needs the goods or services offered under the agreement in the different categories of solicitations. If you have any additional questions, please don't

hesitate to reach out to us here at TIPS!

37 PRICING OF Regular Hours Coefficient

What is your regular hours coefficient for the RS Means Price Book?

Remember that this is a ceiling price proposed. You can discount lower than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing is included in the attachments for your information.

The below is an Example of how pricing model works (not intended to influence your proposed coefficient, you should propose a coefficient that you determine is right for your business):

To propose the exact pricing as the RS Means Unit Price Book, you would insert a 1.0 and to propose a 5% discount for the RS Means Price Book would be a .95 regular hours coefficient and so on.

38 PRICING OF After Hours Coefficient

What is your after hours coefficient for the RS Means Price Book for work performed after normal working hours?

Remember that this is a ceiling price proposed. You can discount to any TIPS Member customer a lower coefficient than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing titled "Pricing Coefficient Instruction" is included in the attachments for your information.

The below is an EXAMPLE of how the pricing model works (It is not intended to influence your proposed coefficient, you should propose a coefficient that you determine is reasonable for your business for the life of the contract):

The most common after hours coefficient is time and a half of the RS Means Unit Price Book prices. To illustrate this coefficient, if your regular hours coefficient is .95, your after hours coefficient would be 1.45.

39 PRICING for Markup of Non-Prepriced Items in RS Means Unit Price Book

What is your proposed Markup Percentage on materials not found in the RS Means Price Book?

If any materials being utilized for a project cannot be found in the RS Means Price Book, this question is what is the markup percentage on those materials?

When answering this question please insert the number that represents your percentage of proposed markup. Example: if you are proposing a 30 percent markup, please insert the number "30".

Remember that this is a ceiling markup. You may markup a lesser percentage to the TIPS Member customer when pricing the project, but not a greater percentage.

EXAMPLE: You need special materials that are not in the RS Means Unit Price Book for a project. You would buy the materials and mark them up to the TIPS Member customer by the percentage you propose in this question. If the materials cost you, the contractor, \$100 and you proposed a markup on this question for the material of 30 percent, then you would charge the TIPS Member customer \$130 for the materials.

40 Yes - No

5. Warranty and Service Support

Nouveau Construction and Technology Services typically submits a one year labor and materials warranty on all work performed by Nouveau on each project, along with any extended warranties provided by any of the material manufacturers. The warranty period begins on the project acceptance date for Substantial Completion.

Nouveau measures the quality of service provided to an Owner based on our own very high level of expectation from our sub-contractors, as well as any Customer feedback provided to us by daily conversation or in the Customer Survey requested from each customer at the completion of a project. We are also happy to supply reference letters from previous clients. Attached are excerpts of letters from:

- a. Thomas Pinkerton, Assistant Director of Physical Plant
The University of Texas at Tyler
- b. Wayne Wheeler, JOC Program Coordinator
SSC with Texas A&M University
- c. Van E. Franks, former Associate Director Of Planning and Construction
Texas A&M Corpus Christi

- A.** Nouveau Construction and Technology Services has provided a myriad of general construction services for the University of Texas at Tyler since 2005, ranging from small repair jobs to large, "from the ground up" construction projects.

We have enjoyed a long standing business relationship with the Nouveau team. They have been an invaluable partner to UT Tyler, assisting us in project scope development, and project budgeting when needed. Their on-site staff provides timely responses to our requests for project pricing, and value engineering, as well as constant construction project oversight and necessary two-way communication with the University staff that insures a very positive project outcome. We can always rely on Nouveau to work with us to meet extremely critical completion dates.

Nouveau's exemplary service does not end when the project is completed. They also are able to provide nearly instantaneous response to any warranty issues that may crop up, and many times Nouveau personnel have been one of the first on the scene to assist the University in emergency campus repairs before they might escalate.

I look forward to many more years of working with the Nouveau team. It has been a pleasure.

Regards,

Thomas Pinkerton
Assistant Director of Physical Plant
The University of Texas at Tyler

B. To Whom It May Concern,

SSC Service Solutions has worked together with Nouveau Construction on bid jobs and as one of our Job Order Contractors for more than 3 years at several different Campuses throughout the Texas A&M System. During that time, they have provided us with quality service as well as quality projects. Their projects have been completed on schedule and on budget. Nouveau's sub-contractors all maintain a professional atmosphere focusing on completion of the projects while maintaining Nouveau and SSC safety standards. Nouveau's project managers and superintendents are very customer service oriented while maintaining project compliance and safety standards as well. They have an excellent warranty program and respond quickly and efficiently.

We have enjoyed working with Nouveau Construction and have come to consider them partners in our service to Texas A&M System. They will certainly be involved in many future project with us.

Sincerely,

E. Wayne Wheeler
JOC Program Coordinator / Regional Manger

C. During my recent tenure as Associate Director of Planning and Construction at Texas A&M University Corpus Christi, I had the pleasure of working on multiple Projects with Nouveau Construction and Technology Services. Spanning a period of two and a half years, Nouveau completed in excess of twenty five Projects for Texas A&M during my time there. These Projects ranged in size from as little as \$100,000 to as much as several million dollars. In all cases, the professionalism and quality of workmanship portrayed by Nouveau Construction was above expectations and all projects met or exceeded the needs of the University. Nouveau was always cognizant of the University's budget and schedule and took the approach of "get the job completed". When Nouveau began working at Texas A&M, Corpus, it became evident that their intention was to perform well, develop a relationship with this client, and win multiple projects at the University.

In addition to the quality of workmanship that Nouveau showed on their projects, it was also refreshing seeing how they responded to Warranty Issues. They didn't go away after the project was completed. Within days of my Notice to Nouveau, they were "On-Site", correcting or repairing any issues reported. Nouveau also communicated with the University on any issues that could not be corrected immediately, due to need of parts, etc.

Because of my experience with the performance Nouveau demonstrated at Texas A&M, I would recommend them highly to any Higher Education or School District clients for construction or renovation projects.

Thanks,

Van E Franks

Work and Safety Plan

Nouveau Construction and Technology Services has a written safety management and accident prevention program, compliance with which is mandatory for all Nouveau employees and subcontractors. By working closely with our insurance carrier's extensive construction safety program, in conjunction with documents developed in house, Nouveau has established an in-depth job hazard analysis program. Our binder of these safety policies and procedures is available for review upon request. A complete and updated binder of these "Safety, Health & Environment" policies and procedures is kept at every job site office for quick referrals if needed. This supplements the annual training that every Superintendent and Project Manager are required to receive to further strengthen our first line of defense in accident prevention.

Basically Nouveau's safety program mandates that at the beginning of each project, our in-house Safety Director create and maintain a site-specific Safety Hazard Analysis tailored to that specific project. This process allows us to identify safety risks and produce a proactive approach to reduce risks that the workers may be exposed to. All beginning and subsequent subcontractors for the project will receive an initial safety briefing at the onset of their presence on the site. This will be supplemented with weekly tool box talks orchestrated by our Safety Director. Additionally, each on-site worker must read and sign Nouveau's safety awareness checklist before being permitted on the project site.

Every Project Manager and Project Superintendent have accomplished and are current in First Aid, CPR, AED, and OSHA 10 training. In addition every Project Manager and most of Nouveau's Superintendent's are current in OSHA 30 training.

Tom Udall leads our Safety Division, drawing from his extensive background in project safety dating back to his days in the military and he is OSHA 500 and 510 certified to provide training to our Employees. In addition to his scheduled job-site visits to preside over weekly tool-box safety meetings, he is constantly visiting our construction sites at will, spot checking on daily job safety practices, and engaging with each Project Superintendent to ensure that safety complacency is never an issue.

Nouveau's Experience Modifier Rates for the last five years:

2020	0.83
2019	0.78
2018:	1.04
2017	0.99
2016	0.97

Scheduling

As on any construction project, there is always the concern of possible delay risks, and so Nouveau tries to identify these possibilities early in the project and mitigate any possible effect to the project schedule. Our typical main concern for delays lies in the long lead times required for the delivery of some equipment, or special materials. Nouveau's in-house contract manager, Lloyd Heeger, is well versed at getting project materials ordered immediately upon approval of product submittals, and is adept at getting same expedited when required. However, there have been times in the past when materials either did not arrive when promised, or the wrong material was sent. In these cases, Nouveau has installed a temporary substitute material, be it a window or door, or applied paint to a wall that was still awaiting tile, etc. This allowed us to turn the project over to the Owner on time, and when the delinquent material arrived, Nouveau made arrangements with the Owner to install it after hours, at basically no consequence to the Owner. While we don't like to turn over a project in this 'modified' condition, because the majority of our past work has been with schools and university who absolutely cannot tolerate an unfinished space when students arrive back at school from holiday or even weekends.

Summary:

Nouveau Construction and Technology Services is a customer service driven General Contractor with an in-house Technology division that not only builds projects, but also builds long term client relationships. We have enjoyed long term relationships with many educational institutions such as: Texas A&M University at College Station, Commerce and Agrilife Research, UNT and TWU, as well as the University of Texas at Dallas, Arlington, and Tyler. We also have provided services to K-12 ISDs in Arlington, Birdville, Colleyville, Dallas, Everman, Frisco, Keller and Lewisville. In addition, Nouveau is building new relationships with many municipal clients, such as the cities of Mesquite, Frisco, and Garland, and Dallas County.

We bring many years of experience to help guide our clients through the entire project life-cycle, from concept to close-out. We offer the entire spectrum of traditional general contracting and construction management services from new "ground-up" projects, to facility renovations, upgrades and maintenance. We virtually become an extension of our client's Facilities staff.

Nouveau Construction and Technology partners with commercial clients, public institutions, educational and healthcare facilities to develop and improve the workplace and educational environment in the areas of facilities construction and technology. Our "whatever it takes" corporate culture creates a comfortable environment for the project team to solve problems and deliver successful projects.

Founded in 1997 by Miles and Debbie Koon, **Nouveau Construction and Technology** has served as a general contractor headquartered in the greater Dallas-Fort Worth area, providing full scale customer service on small to large scale construction and technology infrastructure projects across Texas and several other mid-western states. They quickly grew this company by promoting a "Customer's Interests First" philosophy.

We have made a name for ourselves promoting and procuring lucrative Job Order Contracts (JOC) for construction services for public entities. JOC contracts are known for promoting quality, speed, teamwork and overall client satisfaction. Nouveau has been involved in this construction service delivery system since 2005. This has allowed us to be proactive in the development and evolution of the system. Nouveau has been a long term provider of high quality products and services to many governmental agencies, higher education, K thru 12 school districts and various cooperatives. As a provider of construction services, it is imperative that Nouveau maintain a staff of skilled and experienced personnel to serve our clients. Most clients rely heavily upon our staff in order to define, execute and successfully deliver their projects. Nouveau's staff recognizes this fact and performs their duties with a "whatever it takes" attitude. To provide members with an extra level of expertise in defining the scope and parameters of their projects, Nouveau has an in-house architect and engineer. These professionals are provided so as to advise and contribute to the team when it comes to addressing building code issues, defining quality products, and providing sketches that are a crucial communication tool in properly defining the scope of work.

Nouveau construction personnel are all well trained and efficient at using the R.S. Means price book to produce our pricing proposals. All of these proposals are created using the JOC Works estimating system that was designed specifically to work with the R.S. Means price book. We also have the capability to utilize the Gordian price book to accommodate any of our clients who currently utilize or wish to switch to the Gordian system in the future.

In order to stay on the cutting edge of our industry as it relates to technology, Nouveau utilizes the "ProCore" project management system. This system is one of the industry's most powerful "State Of The Art" systems, designed to streamline communications, tracking and reporting on our construction projects. It is internet based, which puts all of its functions at the finger-tips of everyone involved in each project. We believe this system has added a new positive dimension to all of the traditional management processes that our clients rely upon.

In addition to construction services, Nouveau also offers technology services in the form of data cabling and other components that power the technological advances of recent years. We self-perform those activities which allow us to respond quickly to our customer's needs. Within the technology division, we are constantly looking for new technological advances that will make our clients facilities more efficient and innovative.

As a woman owned business, we are well versed on the need to provide diversity in the workplace. We are committed to meeting the needs of our clients by offering opportunities to the entire minority community. We sponsor and attend many outreach programs each year and are active in the meetings of the National Association of Minority Contractors - DFW Chapter.

You can seek comfort in the fact that Nouveau is financially stable and bondable up to an aggregate backlog of \$30M. Bonding is the life blood of any construction company and Nouveau is extremely proud of our bonding relationship and status.

We thank you for considering Nouveau for your projects.
