Between _____ Hall Pass _____ and _____
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 220105 Technology Solutions, Products and Services

General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter “TIPS”) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order (“PO”), Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include **manufacturer's minimum standard warranty** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately five (5) years with an option for renewal for an additional one (1) consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base five-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “start date” is the last day of the month that

Award Notifications are anticipated as published in the Solicitation.

Example: If the anticipated award date published in the Solicitation is May 22, 2020 but extended negotiations delay award until June 27, 2020 the end date of the resulting initial “five-year” term Agreement, (which is subject to an extension(s)) will still be May 31, 2025 in this example.

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation’s Anticipated Award Date plus five years.

Example: If the original term is approximately five years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original five-year term shall be May 31, 2025 in this example.

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: If TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2026 in this example.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

TIPS reserves the right to solicit proposals at any time it is in the best interest of TIPS and/or its members.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

HALL PASS VISITOR OVERVIEW

HALL PASS was developed with one purpose in mind, to protect our most valuable resource, our children. The HALL PASS system is highly customizable and includes lifetime software upgrades. HALL PASS also screens specific school restricted lists to comply with custody care and court orders or flags visitors to meet with school staff. The check-in time takes less than a few seconds and schools can print daily, weekly, or annual reports of all visitors.

HALL PASS deploys a set of unique algorithms which not only check the presented name of the visitor, but screens all known alias information of individuals listed on the National Sex Offender Registry. This allows the system to trap offenders trying to enter the school using a known alias. HALL PASS will notify school officials in the event of an out of state offender, even if that offender has absconded from the state of compliance.

In addition to visitor screening and badges, HALL PASS deploys state of the art alert and monitoring features. These include instant email and text messaging notification of events and an "Instant Alarm" button on each screen. In the event of an imminent threat, the silent alarm feature allows school staff to notify District Police Officers silently without having to escalate volatile situations by visually picking up a telephone. The officer receives notification of the school location and any pertinent information the attendant inputs directly through the HALL PASS Instant Alarm.

**"ECISD Sex Offender Screening System Successful"**

E.C.I.S.D. is seeing a lot of success in keeping sex offenders away from district schools.

E.C.I.S.D. installed the Hall Pass Visitor Management System at all their campuses two months ago. Now, visitors have to swipe a drivers license when they show up on campus. The system then looks at international and state sex offender databases to see if the visitor is listed anywhere. If the visitor is listed, campus police and the school principal get an alert.

So far, E.C.I.S.D. has caught 4 sex offenders on campus because of the system. Big 2 has learned that those people were not allowed to see students they were trying to get in touch with and weren't listed on information cards the students' parents filled out at the start of the year.

Visitor Management

Visitors are automatically checked against the National Sex Offender Registry and the Districts school restricted list.

The screenshot shows the HALL PASS web application interface. At the top, there is a navigation bar with links for Welcome, Hall Pass, Schools, Faculty, Users, My Account, Background, and Students. A red 'INSTANT ALARM' button is visible. Below the navigation bar, there is a search criteria form with fields for First Name (Stephen), Last Name (Ladd), Date of Birth (Mar 19 1974), Gender (Male), State (Tx), Destination (Campus), and Purpose (General). A 'Waiting for scanner' dialog box is overlaid on the form. To the right, there is a 'Last Scanned Details' section with a green circular indicator and buttons for Check Out, Visitors, Manual Entry, Scan, Print Badge, and Log Visit. Below this, there is a table of 'Previously Scanned Visitors' with columns for Note, View, RFID, Status, and a list of visitor records. A 'Scanning 100%' dialog box is also present. At the bottom right, there is a preview of a visitor badge for Steven Ladd, dated 2/18/2011 at 10:22:47 AM, with a photo and the HALL PASS logo.

When entering a facility, each visitor must present a government issued ID to the front office. The ID is scanned using the HALL PASS optical scanner and the information is checked against the National Sex Offender Registry and the District's Visitor Restricted list. If the visitor is found on either list, the system will display a pop-up of the offender with photo and send out alerts via text message and email to the appropriate staff and District Police Officers. If the visitor is cleared, HALL PASS will print a time/date badge with photo and custom school logo for the visitor to wear while on school grounds.

Each visitor can be labeled for the reason of the visit. These include: visitor, volunteer, visiting faculty, substitute, temporary student and detention. The visitor's destination can be added as well.

HALL PASS Check-in Process:

1. The ID is validated as an official government issued ID.
2. The information is checked against the National Sex Offender database and the School Visitor Restricted list.
3. The Hall Pass visitor is updated with results from the visitor check-in.
4. If "Passed," a badge is printed with time, date, reason, destination and photo.
5. If found on the National Sex Offender Registry or School Restricted list, a visual notice is given and alerts are sent out.

Custody Care

Automated access to custody care, court order and parental request information keep staff up to date of any special need situations.

ILLINOIS SPOTLIGHT:

"Tech tools check up on school visitors"

(August 11, 2009)

"Want to visit your child's teacher or volunteer in a classroom?"

Then you need to hand over your driver's license for a quick background check in order to obtain a pass complete with photo and date as you enter the halls of any school in New Lenox School District 122.

Just a few weeks ago, the district installed the new security system, Hall Pass, which scans a driver's license and within seconds determines if the visitor is listed on the national Sex Offender Registry and Violent Offender Against Youth Database.

The HALL PASS Custody Care application allows the automation of custody care, parental requests, court orders and parental contact requests without having to search through folders or sticky notes when a visitor enters the campus. School administrators need only to add the visitors name to the school list. When a flagged visitor enters the campus, HALL PASS will display a pop-up message with all the information regarding any special need situation or to inform staff of any court order details or contact rules in effect. Flagged visitors can be restricted district wide or from one specific campus.

If the need for immediate attention is required, HALL PASS will text message or email the appropriate school officials or District Police Officers to inform them of restricted visitors on campus.

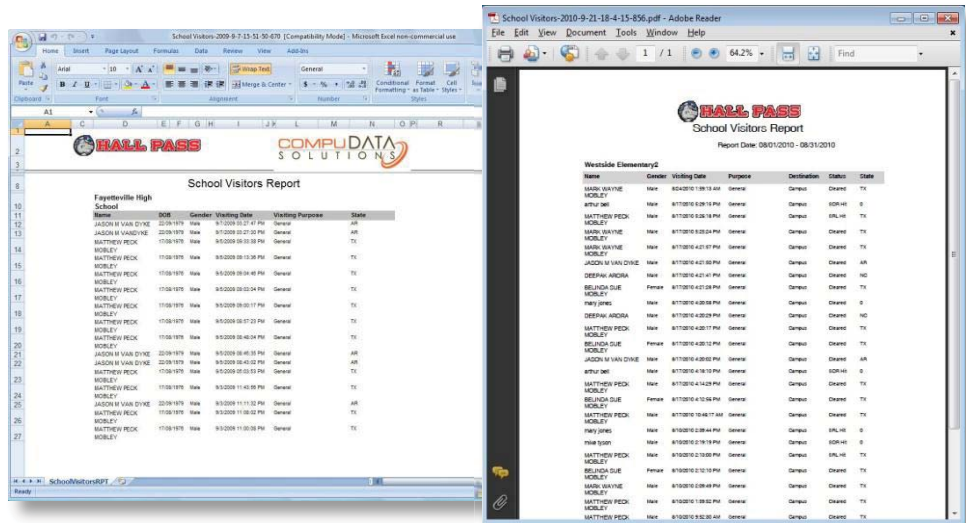

Visitor Restriction Uses:

- Court Order Notification
- Custody Orders
- Parental Requests
- Library Fines
- Parental Meeting Alerts

- Guardian Information Alerts
- Student Immunization Notices
- Request for Parental Meeting
- Counselor Requests
- Cafeteria Bill Notification

Reports

All visitor, volunteer, and faculty information is accessible for daily, weekly, or annual reports and can be exported to .PDF or Excel formats.

HALL PASS has the ability to export reports to .PDF or Excel formats. In addition to having visitor reports, HALL PASS searches can be filtered by visitor, volunteer, visiting faculty, visiting student and detentions.

Each report can be saved to the host machine, exported to another application in the network or printed from the local machine. All HALL PASS reports can be accessed from remote locations via the internet.

In addition to specific school reports, HALL PASS can run district wide reports or a highlighted list of schools giving administrators the flexibility to know who was on campus or a list of campuses in the district.

HALL PASS can search records for a specific individual or list all visitors for a given date range. This function will give administrators or District Police Officers the ability to print and view with photo all visitors from a specific school in the event of an incident.

HALL PASS can also filter reports by:

- Sex Offenders Only
- School Restricted Visitors
- Custody Care
- Named Visitor
- Location of Visit

- All Visitors
- All Schools
- Daily, Monthly, Annually
- Multi-School by name
- Purpose of Visit

Alerts

Email and Text alerts instantly notify school administrators and security personnel of unwanted visitors.

HALL PASS allows schools to designate how to notify specific individuals based on rules set by the administration and the District Police Department.

In the event of a Sex Offender “hit”, the HALL PASS monitoring center will contact the location to help verify the visitor and note any false positive hit related to the scan. Simultaneously, HALL PASS will notify the District Police via instant text message with the alerted visitors’ information. The information contained in the alert will include the school location with call back number.

Each school will have the option to load specific visitor restriction lists of unwanted visitors and specify which staff member should receive the alert. This alert can help notify office staff of custody care, parental requests, court orders, library and cafeteria fines.

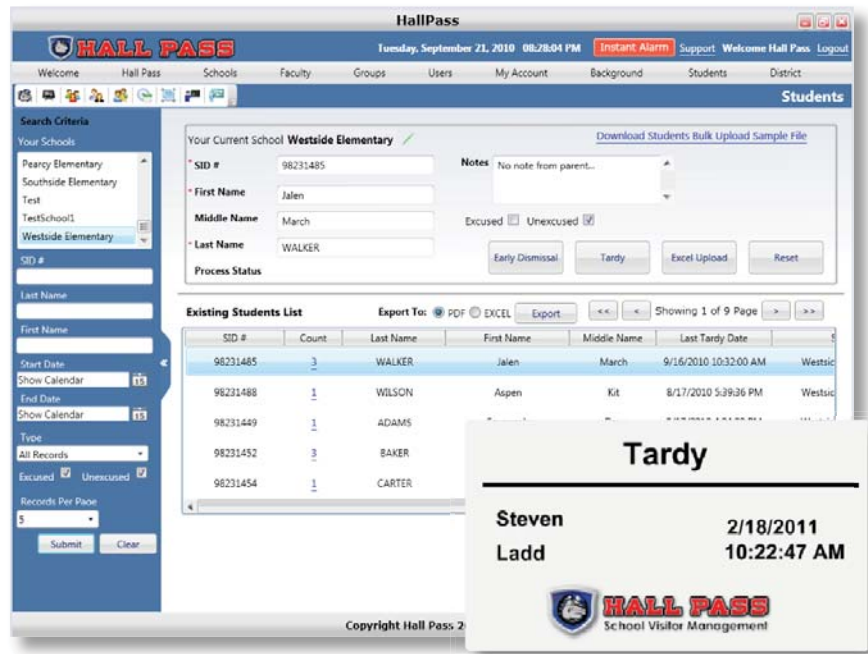

In addition to the Sex offender/Unwanted Visitor alerts, HALL PASS keeps an “Instant Alarm” button at the top of each page of the application. This serves as an imminent threat notification button and will alert every individual in the instant alert system. These alerts would include the District Police Office (SRO), 911 Dispatcher, Principal, and Superintendent.

HALL PASS Alert Types:

- | | |
|----------------------|--------------------|
| Sex Offender | Restricted Visitor |
| Email with Photo | Instant Alarm |
| Instant Text Message | Custody Care Alert |

Student Management

HALL PASS allows school staff to issue, log and create reports related to student tardy information and track student early dismissals.

HALL PASS tracks students as well as visitors. Each school can upload their list of students into the HALL PASS student management system. When a tardy student arrives, a tardy badge is issued with the student's name, time/date.

In addition to tardy passes, HALL PASS logs early dismissal of students and matches them to the schools authorized guardian list. Both Tardy and Early Dismissal have notations for "Excused" and "Not Excused" flags along with a notes field and a document upload section for court orders or important documents.

All student records can be instantly accessed from any PC within the district to see the total number of tardy students and early dismissals along with the authorized guardian for each student. With proper credentials, these records are available for administrators to view student activity for all schools in the district.

Benefits:

With active RFID key fobs and Faculty ID Badges, HALL PASS can log entry and exits times for staff or district maintenance personnel.

HALL PASS Faculty Management allows administrators to automate and track the check-in and check-out activity of faculty members, district employees, and contractors within the school district. HALL PASS creates a faculty record and issues a RFID (Radio Frequency ID) Key Fob to that record. The faculty members need only to wave the key fob over the HALL PASS RFID Reader to check-in and check-out.

As district faculty members check-in and out, HALL PASS servers are recording all times. In cases when the faculty member fails to check-in or out properly, HALL PASS will record all inconsistencies using an internal Flagging system.

Even though the visitor is performing this action themselves, Hall Pass always checks the visitor through its offender and school restriction databases. If a person is flagged in the system, the Kiosk will prompt the visitor to "Please see the attendant" while automatically alerting staff that an offender has attempted to enter the building via the Kiosk.

In addition to Visitors, Hall Pass allows schools to customize additional services such as Student check-in/out, Faculty Time Sheets and track Volunteer hours utilizing the Kiosk. All of these are fully customizable by the school. Further customization is available either on/off for allowing a visitor to check out/in a student using the kiosk.
