## General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter “TIPS”) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order (“PO”), Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

## Terms and Conditions

### Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award. Shipping method is determined by the vendor and the Member/Customer at the time of the quote/purchase by the Member/Customer and satisfactory shipping methods and costs are agreed upon at that time.

### Warranty Conditions

All new supplies equipment and services shall include ***manufacturer's minimum standard warranty*** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. All goods proposed and sold shall be new unless clearly stated in writing.

### Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of

the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

### **Agreements**

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

### **Tax exempt status**

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

### **Assignments of Agreements**

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

### **Disclosures**

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

### **Term of Agreement and Renewals**

The Agreement with TIPS is for approximately five years with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not exercise some or all of the available extension(s) provided in the original solicitation beyond the base five-year term. Whether or not to offer some or all of the extension is at the sole discretion of TIPS.

**“Start Date” for Term Calculation Purposes Only:** Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “Start Date” is the last day of the month that “Award Notifications” are anticipated as published in the Solicitation.

**Example:** *In this example, if the anticipated “Award Date” published in the Solicitation is May 22, 2022, but extended negotiations delay award until June 27, 2022 The end date of the resulting initial “five-year” term, (which is subject to an extension(s)) will still be May 31, 2027 for purposes of this example.*

**“Termination Date”:** The scheduled Agreement “termination date” shall be the last day of the month of the month of the original solicitation’s anticipated “Award Date” plus five years.

**Example:** *In this example, if the original term is approximately five years, and the solicitation provides an anticipated award date of May 22, 2022, the expiration date of the original five-year term shall be May 31, 2027 for purposes of this example.*

**Extensions:** Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

**Example Following the Previous Example:** *In this example, if TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2028 unless otherwise specified.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

**Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.**

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

**Shipments**

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

**Invoices**

Each invoice or pay request shall include the Vendor’s TIPS Contract number, the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

**Payments**

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

**Pricing**

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

**Participation Fees and Reporting of Sales to TIPS by Vendor**

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

**Reporting of Sales to TIPS by Vendor**

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at [https://www.tips-usa.com/vendors\\_form.cfm](https://www.tips-usa.com/vendors_form.cfm) and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at [accounting@tips-usa.com](mailto:accounting@tips-usa.com). The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at [tips@tips-usa.com](mailto:tips@tips-usa.com) or call (866) 839-8477 if you

have questions about paying fees.

### **Indemnity**

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

### **State of Texas Franchise Tax**

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

### **Miscellaneous**

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

### **Purchase Order Pricing/Product Deviation**

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

### **Termination for Convenience of TIPS Agreement Only**

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

### **TIPS Member Purchasing Procedures**

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. **Novation**

A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

**Site Requirements (*only when applicable to service or job*)**

**Cleanup:** When performing work on site at a TIPS Member’s property, awarded Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Any use of TIPS name and logo or any form of publicity, inclusive of press release, regarding this Agreement by awarded vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to TIPS@TIPS-USA.COM.

### **Supplemental Agreements**

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

### **Survival Clause**

In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

**Choice of Law**

**Vendor's Resellers as Related to This Agreement**

Vendor's Named Resellers ("Resellers") under this Agreement shall comply with all terms and conditions of this agreement and all addenda or incorporated documents. All actions related to sales by Authorized Vendor's Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller as the law allows.

**Support Requirements**

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserve the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

# TES Energy Services

Providing you with the best, most cost-effective energy solution available

Deregulation has opened up the electricity and natural gas markets to competition. Smart consumers are using this free market system to gain two advantages:

## MORE OPTIONS + REDUCED COSTS

Buying energy can be complicated, but TES helps keep it simple. That's exactly why commercial and residential consumers have turned to TES for the past 17 years. We make sense of the energy market for our commercial and residential customers.

## Experience as an industry leader

TES Energy Services has been involved in the electric and utility construction industry since 1949. We still have relationships with those utilities that have let us get things done faster for you. The current founding members of TES have each been working in the energy industry for over 30 years. Relationships and Experience gives TES a unique advantage over our competitors.

**RELATIONSHIPS** - We have close relationships with Retail Energy Providers (REPs). Using those relationships, in conjunction with our Energy Buying Pool, enables TES to negotiate the best rates and solutions for our commercial and residential.

**EXPERIENCE** - As energy professionals, we carefully study the retail market and monitor pricing daily. With our extensive market knowledge, we are able to negotiate the lowest rates available.

## Keeping the process simple

**CUSTOMER INPUT** - We listen to our customers and assess your energy needs.

**ENERGY CHOICES** - Based on your feedback, we structure energy options with the best suited Retail Energy Providers.

**SELECT AN OPTION** - We review all your options with you to help make the best decision.

**CUSTOMER SERVICE** - As a TES customer, we will continue to provide world-class support to resolve any issues or concerns.

# Deregulation—the era of choices

## EARLY DAYS OF ELECTRICITY

There was no government regulation at the time, and it wasn't needed. The price consumers paid was dictated by the open marketplace and that competitive environment kept prices down.

## COMPLETE REGULATION

In a regulated energy market, however, consumers were not given a choice regarding which company would generate and distribute electricity. There was a single utility in each market, which meant consumers paid what the utility charged, regardless of the cost.

## NEED FOR SOME REGULATION

This unchecked competition paved the way for companies to build only where they could make money; namely, in the cities (also called municipalities). With so many companies, the municipalities began to regulate utilities, determining which ones could serve certain communities. Eventually, it became widely determined that leaving regulation up to each municipality was inefficient, and the responsibility shifted to the state level.

## THE SHIFT BACK TO DEREGULATION

States began to deregulate the energy market with the passing of The Energy Policy Act of 1992. It impacted the electricity market by separating transmission services from power plants. This allowed for the formation of Retail Energy Providers (REPs). Once the REPs had access to the power grid, it enabled them to supply electricity directly to the consumer.

## TODAY'S MARKET

With competition came choices, and with those came the need for energy specialists like TES. We help customers enjoy the best rates and contract terms available in the marketplace.

TES Energy Services has carefully vetted and closely works with the industry's top, most reputable Retail Energy Providers (REPs) in the country providing you with the industry's best. We work with and have close relationships with the following national REPs:

# TES Energy Services—serving the energy needs of businesses, places of worship, schools and residential customers

By combining our established relationships with dozens of the leading Retail Energy Providers (REPs) with our tremendous Group Buying Power, TES has the experience and expertise to help you secure the right electricity or natural gas solution. We want to present you with the lowest rates on the market with the most favorable contract terms available. As we understand your unique energy needs, we can negotiate the contract on your behalf. Regardless of which type entity listed below describes your organization, we can help!

## Places of Worship/Non-Profit Organizations

For over 17 years, TES has worked closely with places of worship and non-profit organizations to secure high value, low-cost energy solutions to meet their demanding operational budgets. Our ability to aggregate usage from hundreds of places of worship and non-profit organizations enables us to achieve economies of scale that help them save money and further their missions.

## Commercial/Retail/Hotel/Industrial

With so many energy providers on the market, businesses are left wondering if they've selected the best, most cost-effective electricity or natural gas solution available. We remove that guesswork. By aggregating our customers' usage and keeping a close eye on the energy markets and related buying patterns, we achieve economies of scale that enable our customers to get the best price from the right provider.

## State & Local Government/School Districts

TES understands the unique requirements and stretched budgets often faced by government agencies and school districts. Our Group Buying Power and close relationships with an array of Retail Electric Providers (REPs) enables TES to secure the right provider, contract terms and rates for your government agency and school.

## Single-Family/Multi-Family

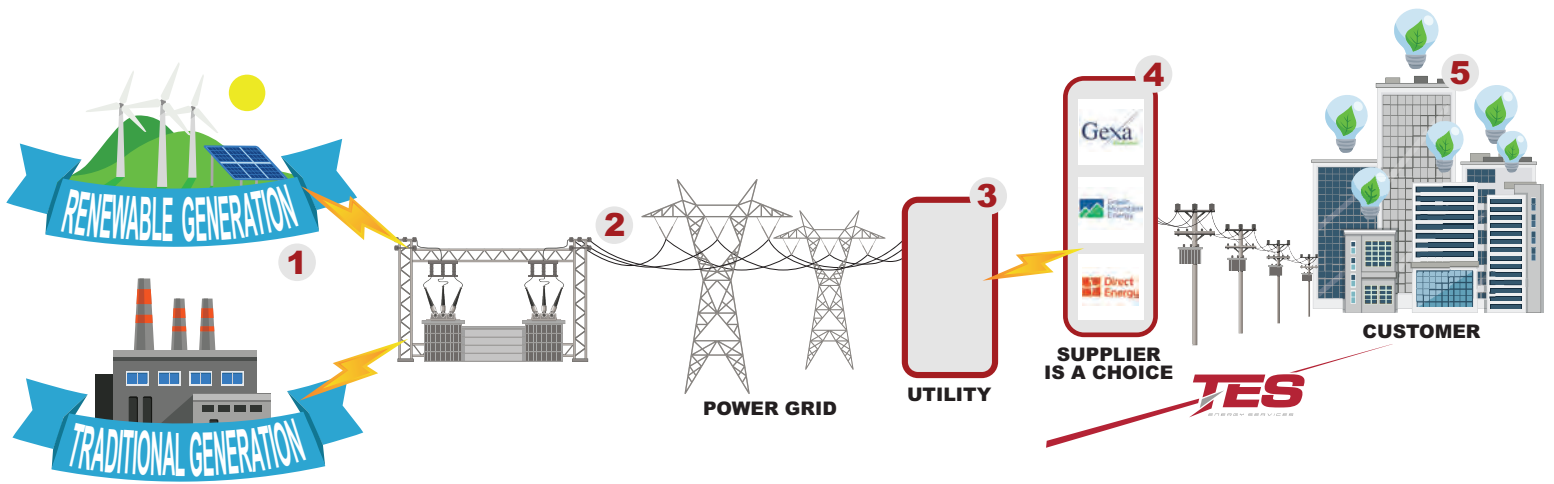

TES helps residential consumers lower their energy bill and free up money that can be spent on college, home repairs or just paying off those bills. And we do more than secure the lowest rates available. We handle the contract negotiations, freeing up another precious commodity, your time.

## Beyond Pricing - Energy Efficiency Consulting Tailored to fit your needs

In addition to pricing contracts, we provide a full suite of value-added energy savings and conservation services including:

-  **Aggregation**  
Because TES is a Licensed Aggregator in the state of Texas, we're able to create buying pools that have placed over 1 billion kWh annually with Retail Energy Providers, which delivers savings and the right contract to our customers. A quick evaluation could determine if you are eligible to participate in an upcoming buying pool.
-  **Demand Side Management**  
We can help your business, organization or home maximize savings by developing strategies that address energy use during different times of the day or days of the week. You'll enjoy reduced electricity bills by shifting energy usage from peak to non-peak hours.
-  **Power Factor Corrections**  
We can maximize your energy expenditures by analyzing your systems and ensuring they are efficiently and cost-effectively providing the best, most efficient use of power.
-  **Lighting Retrofitting**  
You may be spending more than you need to due to inefficient lighting. We can evaluate your locations and advise which components to replace to yield greater energy efficiency.

**1. Electricity begins** at a generating station, much the same way it's produced by your automobile's alternator. It can be produced through traditional means, such as coal and natural gas, or from renewable sources, such as solar, wind and water (hydroelectric). Renewable refers to a resource that can naturally replenish itself.

**2. The electricity generated** is delivered to transformers, where its voltage is increased to enable it to travel long distances to substations over high-voltage transmission lines.

**3. Utility companies** still exist in deregulated markets. They make sure electricity is generated and distributed. They read your meter and are responsible for maintaining the "poles and wires" to your location. They are regulated by their state's Public Utilities Commission (PUC).

**4. Through our relationships** with dozens of Retail Energy Providers (REPs), we can help ensure that you are getting the most competitive electricity rates and favorable contract terms available.

**5. At substations**, the voltage is reduced so it can be distributed to a transformer that serves a neighborhood or business district. The transformer reduces the voltage again, then delivers it over power lines to end users like you. There, it passes through a meter that measures your electricity consumption.

TES Energy Services brings its years of experience and expertise in the energy industry to help commercial and residential customers secure the best energy solutions available in the marketplace. By carefully monitoring the energy market and forging close relationships with leading Retail Energy Providers (REPs), TES Energy helps customers get more than just low rates. They help them secure the best solution that can address their commercial or residential needs.

Ask about how the Group Buying Power of TES has delivered significant savings and the right energy solutions to thousands of places of worship, schools and property managers for more than 17 years.

# T.E.S. Energy Services, L.P.

## Proposed Goods and Services Offered

### Attachment #6

#### I. Current Services:

- T.E.S. Energy Services, L.P. (TES) does not sell tangible or physical goods.
- TES is an energy consulting company providing retail electric and natural gas brokerage services to end user commercial, industrial and residential customers in Texas.
- Outside Texas, the applicant primarily focuses on energy consulting services for commercial and industrial customers. We serve most of the deregulated energy territories in the United States and have acquired licenses as needed.
- TES works with customers of all sizes and business types, ranging from retail, manufacturing, property management, religious organizations, government entities and schools.
- In addition to helping customers make informed decisions on their electricity and natural gas procurement, TES also offers auxiliary consultant services for power factor corrector, recovering utility rebates, lighting retrofitting and more.

#### II. Proposed Plans for Arranging for Energy Services:

TES proposes to offer retail electricity and natural gas procurement services. The general process is as follows:

- TES DEFINES THE PROJECT – We discuss the customer’s specific needs (i.e. start date, contract length, contract language requests like Add/Delete, Move Out language, billing concerns, reducing rate of current contract).
- TES COMPLETES DUE DILIGENCE AND REQUEST PRICING – We send the customer the forms that we use with the suppliers in the process. We review a sample of current invoices. We create and send out the bid request including all applicable locations.
- TES RECEIVES BIDS AND MAKE RECOMMENDATIONS – We send the customer the best pricing and recommendations for the contract. After discussion, the contract is requested. Because the pricing is based on the market, the turnaround time to return the contract is usually very time sensitive.
- TES PROVIDES FUTURE SUPPORT – As the new contract begins, TES will continue to provide assistance for any questions, account changes or billing issues the customer has for the term of the contract.

#### III. Payment:

- TES will not be paying any utility (i.e., electricity) bills and / or charges for its customers.
- Fees for electricity procurement services will be collected from the Electric Supplier through a price adder.
- Customers will pay the Supplier directly; the Supplier will then remit our fees to us for our aggregated customers.
- Depending on the utility area or supplier providing service, the Customer may choose the method to be billed:

Supplier Consolidated Billing Option - the Customer will receive one electric bill directly from the Supplier with whom they have a contract.

Utility Consolidated Billing Option - the Customer will receive one electric bill directly from the Utility for both Supply and Distribution services. The Customer remits payment for their bill. The Utility takes the credit risk and forwards payment to the Supplier.

Dual Billing the Customer will receive two bills, one directly from the Supplier and one from the Utility. The Customer is responsible to pay both directly.

- TES will not be issuing any bills to customers for its licensed services, and we will not be issuing any bills on behalf of any Supplier.
