

TIPS VENDOR AGREEMENT

TIPS RFP 231001 Uniforms and Promotional Attire, Accessories, and Services

The following Vendor Agreement (“Agreement”) creates a legal agreement between The Interlocal Purchasing System (“TIPS”), a government purchasing cooperative and Department of Texas Region 8 Education Service Center and (INSERT ENTITY NAME):

(ENTER ENTITY NAME]

its owners, agents, subsidiaries, and affiliates (together, “Vendor”) (individually, “Party”, and collectively the “Parties”) and this agreement shall exclusively govern the contractual relationship (“Agreement”) between the Parties.

TIPS, a governmental entity and a national purchasing cooperative seeks to provide a valuable and necessary solution to public entities and qualifying non-profits by performing the public procurement solicitation process and awarding compliant contracts to qualified vendors. Then, where the law of a customer’s jurisdiction allows, instead of public entities and qualifying non-profits expending time, money, and resources on the extensive public procurement process, the use of TIPS allows public entities to quickly select and purchase their preferred products or services from qualified, competitively evaluated vendors through cooperative purchasing.

1. **Purpose.** The purpose of this Agreement is to identify the terms and conditions of the relationship between TIPS and Vendor. Public entities and qualifying non-profits that properly join or utilize TIPS (“TIPS Members”) may elect to “piggyback” off of TIPS’ procurements and agreements where the laws of their jurisdiction allow. TIPS Members are not contractual parties to this Agreement although terms and conditions of this Agreement may ensure benefits to TIPS Members.
2. **Authority.** The Parties agree that the signatories below are individual authorized to enter into this Agreement on behalf of their entity and that they are acting under due and proper authority under applicable law.
3. **Definitions.**
 - a. **TIPS Pricing:** The specific pricing, discounts, and other pricing terms and incentives which Vendor submitted and TIPS approved for each respective TIPS Contract awarded to Vendor and all permissible, subsequent pricing updates submitted by Vendor and accepted by TIPS, if any.
 - b. **Authorized Reseller:** A reseller or dealer authorized and added by a Vendor through their online TIPS Vendor Portal to make TIPS sales according to the terms and conditions herein.
4. **Entire Agreement.** This Agreement resulted from TIPS posting a “TIPS Solicitation” (RFP, RCSP, RFQ, or other) and Vendor submitting a proposal in response to that posted TIPS Solicitation for evaluation and award. The Parties agree that this Agreement consists of the provisions set forth herein and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor’s entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, pricing, accepted responses to questions, and accepted written clarifications of Vendor’s proposal, and; any properly included attachments to this Agreement. All documentation and information listed is hereby incorporated by reference as if set forth herein verbatim. In the event of conflict between the terms herein and one of the incorporated documents the terms and conditions herein shall control.
5. **Vendor’s Specific Warranties, Terms, and License Agreements.** Because TIPS serves public entities and non-profits throughout the nation all of which are subject to specific laws and policies of their jurisdiction, as a matter of standard practice, TIPS does not typically accept a Vendor’s specific “Sale Terms” (warranties, license agreements, master agreements, terms and conditions, etc.) on behalf of all TIPS Members. TIPS may permit Vendor to attach those to this Agreement to display to interested customers what terms may apply to their Supplemental Agreement with Vendor (if submitted by Vendor for that purpose). However, unless this term of the Agreement is negotiated and modified to state otherwise, those specific Sale Terms are not accepted by TIPS on behalf of all TIPS Members and each Member may choose whether to accept, negotiate, or reject those specific Sale Terms, which must be reflected in a separate agreement between Vendor and the Member in order to be effective.

- 6. Vendor Identity and Contact Information.** It is Vendor's sole responsibility to ensure that all identifying vendor information (name, EIN, d/b/a's, etc.) and contact information is updated and current at all times within the TIPS eBid System and the TIPS Vendor Portal. It is Vendor's sole responsibility to confirm that all e-correspondence issued from tips-usa.com, ionwave.net, and tipsconstruction.com to Vendor's contacts are received and are not blocked by firewall or other technology security. Failure to permit receipt of correspondence from these domains and failure to keep vendor identity and contact information current at all times during the life of the contract may cause loss of TIPS Sales, accumulating TIPS fees, missed rebid opportunities, lapse of TIPS Contract(s), and unnecessary collection or legal actions against Vendor. It is no defense to any of the foregoing or any breach of this Agreement that Vendor was not receiving TIPS' electronic communications issued by TIPS to Vendor's listed contacts.
- 7. Initiation of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Once verified, Vendor must include the TIPS Contract Number on all purchase communications and sales documents exchanged with the TIPS Member.
- 8. TIPS Sales and Supplemental Agreements.** The terms of the specific TIPS order, including but not limited to: shipping, freight, insurance, delivery, fees, bonding, cost, delivery expectations and location, returns, refunds, terms, conditions, cancellations, order assistance, etc., shall be controlled by the purchase agreement (Purchase Order, Contract, Invoice, etc.) (hereinafter "Supplemental Agreement") entered into between the TIPS Member Customer and Vendor only. TIPS is not a party to any Supplemental Agreement. All Supplemental Agreements shall include Vendor's Name, as known to TIPS, and TIPS Contract Name and Number. Vendor accepts and understands that TIPS is not a legal party to TIPS Sales and Vendor is solely responsible for identifying fraud, mistakes, unacceptable terms, or misrepresentations for the specific order prior to accepting. Vendor agrees that any order issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. When Vendor accepts or fulfills an order, even when processed through TIPS, Vendor is representing that Vendor has carefully reviewed the order for legality, authenticity, and accuracy and TIPS shall not be liable or responsible for the same. In the event of a conflict between the terms of this TIPS Vendor Agreement and those contained in any Supplemental Agreement, the provisions set forth herein shall control unless otherwise agreed to and authorized by the Parties in writing within the Supplemental Agreement.
- 9. Right of Refusal.** Vendor has the right not to sell to a TIPS Member under the awarded agreement at Vendor's discretion unless otherwise required by law.
- 10. Reporting TIPS Sales.** Vendor must report all TIPS Sales to TIPS. If a TIPS sale is initiated by Vendor receiving a TIPS Member's purchase order from TIPS directly, Vendor may consider that specific TIPS Sale reported. Otherwise, with the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either: (1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or; (2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement. No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com.
- 11. TIPS Administration Fees.** The collection of administrative fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The administration fee ("TIPS Administration Fee") is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of the amount paid by the TIPS Member for each TIPS Sale, less shipping cost, bond cost, and taxes if applicable and identifiable, which is legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding solicitation and is incorporated herein by reference. TIPS Administration Fees are due to TIPS immediately upon Vendor's receipt of payment, including partial payment, for a TIPS Sale. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. Upon receipt of payment for a TIPS Sale, including partial payment (which renders TIPS Administration Fees immediately due), Vendor shall issue to TIPS the corresponding TIPS Administration Fee payment as soon as possible but not later than thirty-one calendar days following Vendor's receipt of payment. Vendor shall pay TIPS via check unless otherwise agreed to by the Parties in writing. Vendor shall include clear documentation with the issued payment dictating to which sale(s) the amount should be applied. Vendor may create a payment report within their TIPS Vendor Portal which is the preferred documentation dictating to which TIPS Sale(s) the amount should be applied. Failure to pay all TIPS Administration Fees pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion as well as the initiation of collection and legal actions by TIPS against Vendor to the extent permitted by law. Any overpayment of participation fees to TIPS by Vendor will be refunded to the Vendor

within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date that TIPS received the payment will render the overpayment non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect TIPS Administration Fees due to TIPS pursuant to this Agreement.

- 12. Term of the Agreement.** This Agreement with TIPS is for approximately three years with a one-year, consecutive option for renewal as described herein. Renewal options are not automatic and shall only be effective if offered by TIPS at its sole discretion. If TIPS offers a renewal option, the Vendor will be notified via email issued to Vendor's then-listed Primary Contact. The renewal option shall be deemed accepted by Vendor unless Vendor notifies TIPS of its objection to the renewal option in writing and confirms receipt by TIPS.

Actual Effective Date: Agreement is effective upon signature by authorized representatives of both Parties. The Effective Date does not affect the "Term Calculation Start Date."

Term Calculation Start Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, Vendor shall calculate the foregoing term as starting on the last day of the month that "Award Notifications" are anticipated as published in the Solicitation, regardless of the actual Effective Date.

Example of Term Calculation Start Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023 in this example.

Contract Expiration Date: To keep the contract term consistent for all vendors awarded under a single TIPS contract, the term expiration date shall be three-years from the Term Calculation Start Date.

Example of Contract Expiration Date: If the anticipated "Award Date" published in the Solicitation is May 22, 2023, but extended negotiations delay award until June 27, 2023 (Actual Effective Date), the Term Calculation Start Date shall be May 31, 2023 and the Contract Expiration Date of the resulting initial "three-year" term, (which is subject to an extension(s)) will be May 31, 2026 in this example.

Option(s) for Renewal: Any option(s) for renewal shall begin on the Contract Expiration Date, or the date of the expiration of the prior renewal term where applicable, and continue for the duration specified for the renewal option herein.

Example of Option(s) for Renewal: In this example, if TIPS offers a one-year renewal and the Contract Expiration Date is May 31, 2026, then the one-year renewal is effective from May 31, 2026 to May 31, 2027.

TIPS may offer to extend Vendor Agreements to the fullest extent the TIPS Solicitation resulting in this Agreement permits.

- 13. TIPS Pricing.** Vendor agrees and understands that for each TIPS Contract that it holds, Vendor submitted, agreed to, and received TIPS' approval for specific pricing, discounts, and other pricing terms and incentives which make up Vendor's TIPS Pricing for that TIPS Contract ("TIPS Pricing"). Vendor confirms that Vendor will not add the TIPS Administration Fee as a charge or line-item in a TIPS Sale. Vendor hereby certifies that Vendor shall only offer goods and services through this TIPS Contract if those goods and services are included in or added to Vendor's TIPS Pricing and approved by TIPS. TIPS reserves the right to review Vendor's pricing update requests as specifically as line-item by line-item to determine compliance. However, Vendor contractually agrees that all submitted pricing updates shall be within the original terms of the Vendor's TIPS Pricing (scope, proposed discounts, price increase limitations, and other pricing terms and incentives originally proposed by Vendor) such that TIPS may accept Vendors price increase requests as submitted without additional vetting at TIPS discretion. Any pricing quoted by Vendor to a TIPS Member or on a TIPS Quote shall never exceed Vendor's TIPS Pricing for any good or service offered through TIPS. TIPS Pricing price increases and modifications, if permitted, will be honored according to the terms of the solicitation and Vendor's proposal, incorporated herein by reference.

- 14. Indemnification of TIPS.** VENDOR AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND TIPS, TIPS MEMBERS, TIPS OFFICERS, TIPS EMPLOYEES, TIPS DIRECTORS, AND TIPS TRUSTEES (THE "TIPS INDEMNITEES") FROM AND AGAINST ALL CLAIMS AND SUITS BY THIRD-PARTIES FOR DAMAGES, INJURIES TO PERSONS (INCLUDING DEATH), PROPERTY DAMAGES, LOSSES, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES, ARISING OUT OF OR RELATING TO VENDOR'S PERFORMANCE UNDER THIS AGREEMENT (INCLUDING THE PERFORMANCE OF VENDOR'S OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES), REGARDLESS OF THE NATURE OF THE CAUSE OF ACTION, INCLUDING WITHOUT LIMITATION CAUSES OF ACTION BASED UPON COMMON, CONSTITUTIONAL, OR STATUTORY LAW OR BASED IN

WHOLE OR IN PART UPON ALLEGATIONS OF NEGLIGENT OR INTENTIONAL ACTS OR OMISSIONS ON THE PART OF VENDOR, ITS OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED RESELLERS, SUBCONTRACTORS, LICENSEES, OR INVITEES. NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED TO BY TIPS. APART FROM THIS INDEMNIFICATION PROVISION REQUIRING INDEMNIFICATION OF THE TIPS INDEMNITEES' ATTORNEY'S FEES AS SET FORTH ABOVE, RECOVERY OF ATTORNEYS' FEES BY THE PREVAILING PARTY IS AUTHORIZED ONLY IF AUTHORIZED BY TEX. EDUC. CODE § 44.032(F).

- 15. Indemnification and Assumption of Risk – Vendor Data.** VENDOR AGREES THAT IT IS VOLUNTARILY PROVIDING DATA (INCLUDING BUT NOT LIMITED TO: VENDOR INFORMATION, VENDOR DOCUMENTATION, VENDOR'S PROPOSALS, VENDOR PRICING SUBMITTED OR PROVIDED TO TIPS, TIPS CONTRACT DOCUMENTS, TIPS CORRESPONDENCE, VENDOR LOGOS AND IMAGES, VENDOR'S CONTACT INFORMATION, VENDOR'S BROCHURES AND COMMERCIAL INFORMATION, VENDOR'S FINANCIAL INFORMATION, VENDOR'S CERTIFICATIONS, AND ANY OTHER VENDOR INFORMATION OR DOCUMENTATION, INCLUDING WITHOUT LIMITATION SOFTWARE AND SOURCE CODE UTILIZED BY VENDOR, SUBMITTED TO TIPS BY VENDOR AND ITS AGENTS) ("VENDOR DATA") TO TIPS. FOR THE SAKE OF CLARITY, AND WITHOUT LIMITING THE BREADTH OF THE INDEMNITY OBLIGATIONS IN SECTION 14 ABOVE, VENDOR AGREES TO PROTECT, INDEMNIFY, AND HOLD THE TIPS INDEMNITEES HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, ACTIONS, DEMANDS, ALLEGATIONS, SUITS, JUDGMENTS, COSTS, EXPENSES, FEES, INCLUDING COURT COSTS, ATTORNEY'S FEES, AND EXPERT FEES AND ALL OTHER LIABILITY OF ANY NATURE WHATSOEVER ARISING OUT OF OR RELATING TO: (I) ANY UNAUTHORIZED, NEGLIGENT OR WRONGFUL USE OF, OR CYBER DATA BREACH INCIDENT AND VIRUSES OR OTHER CORRUPTING AGENTS INVOLVING, VENDOR'S DATA, PRICING, AND INFORMATION, COMPUTERS, OR OTHER HARDWARE OR SOFTWARE SYSTEMS, AND; (II) ALLEGATIONS OR CLAIMS THAT ANY VENDOR DATA INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF A THIRD-PARTY OR VENDOR.
- 16. Procedures Related to Indemnification.** In the event that an indemnity obligation arises, Vendor shall pay all amounts set forth in Section 14 and 15 above (including any settlements) and – if it has accepted its indemnity obligation without qualification – control the legal defense to such claim or cause of action, including without limitation attorney selection, strategy, discovery, trial, appeal, and settlement, and TIPS shall, at Vendor's cost and expense (with respect to reasonable out of pocket costs and expenses incurred by TIPS which shall be reimbursed to TIPS by Vendor), provide all commercially reasonable assistance requested by Vendor. In controlling any defense, Vendor shall ensure that all assertions of governmental immunity and all applicable pleas and defenses shall be promptly asserted.
- 17. Indemnity for Underlying Sales and Supplemental Agreements.** Vendor shall be solely responsible for any customer claims or any disputes arising out of TIPS Sales or any Supplemental Agreement as if sold in the open-market. The Parties agree that TIPS shall not be liable for any claims arising out of Vendor's TIPS Sales or Supplemental Agreements, including but not limited to: allegations of product defect or insufficiency, allegations of service defect or insufficiency, allegations regarding delivery defect or insufficiency, allegations of fraud or misrepresentation, allegations regarding pricing or amounts owed for TIPS sales, and/or allegations regarding payment, over-payment, under-payment, or non-payment for TIPS Sales. Payment/Drafting, overpayment/over-drafting, under-payment/under-drafting, or non-payment for TIPS Sales between customer and Vendor and inspections, rejections, or acceptance of such purchases shall be the exclusive respective obligations of Vendor/Customer, and disputes shall be handled in accordance with the terms of the underlying Supplemental Agreement(s) entered into between Vendor and Customer. Vendor acknowledges that TIPS is not a dealer, subcontractor, agent, or reseller of Vendor's goods and services and shall not be responsible for any claims arising out of alleged insufficiencies or defects in Vendor's goods and services, should any arise.
- 18. Confidentiality of Vendor Data.** Vendor understands and agrees that by signing this Agreement, all Vendor Data is hereby released to TIPS, TIPS Members, and TIPS third-party administrators to effectuate Vendor's TIPS Contract except as provided for herein. The Parties agree that Vendor Data is accessible by all TIPS Members as if submitted directly to that TIPS Member Customer for purchase consideration. If Vendor otherwise considers any portion of Vendor's Data to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code (the "Public Information Act") or other law(s) and orders, Vendor must have identified the claimed confidential materials through proper execution of the Confidentiality Claim Form which is required to be submitted as part of Vendor's proposal resulting in this Agreement and incorporated by reference. The Confidentiality Claim Form included in Vendor's proposal and incorporated herein by reference is the sole indicator of whether Vendor considers any Vendor Data confidential in the event TIPS receives a Public Information Request. If TIPS receives a request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For Vendor Data deemed confidential by you in this manner, TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination and opinion. In the event that TIPS receives a written request for information pursuant to the Public Information Act that affects Vendor's interest in any information or data furnished to TIPS by Vendor, and TIPS requests an opinion from the Attorney General, Vendor may, at its own option and expense, prepare comments and submit information directly to the Attorney General stating why the requested information is exempt from disclosure pursuant to the requirements of the Public Information Act. Vendor is solely responsible for submitting the memorandum brief and information to the Attorney General

within the time period prescribed by the Public Information Act. Notwithstanding any other information provided in this solicitation or Vendor designation of certain Vendor Data as confidential or proprietary, Vendor's acceptance of this TIPS Vendor Agreement constitutes Vendor's consent to the disclosure of Vendor's Data, including any information deemed confidential or proprietary, to TIPS Members or as ordered by a Court or government agency, including without limitation the Texas Attorney General. Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or as required by law.

- 19. Vendor's Authorized Resellers.** TIPS recognizes that many vendors operate in the open market through the use of resellers or dealers. For that reason, TIPS permits Vendor to authorize Authorized Resellers within its Vendor Portal and make TIPS Sales through the Authorized Reseller(s). Once authorized by Vendor in the Vendor Portal, the Authorized Reseller(s) may make TIPS sales to TIPS Members. However, all purchase documents must include: (1) Authorized Reseller's Name; (2) Vendor's Name, as known to TIPS, and; (3) Vendor's TIPS Contract Name and Number under which it is making the TIPS Sale. Either Vendor or Reseller may report the sale pursuant to the terms herein. However, Vendor agrees that it is legally responsible for all reporting and fee payment as described herein for TIPS Sales made by Authorized Resellers. The TIPS Administration Fee is assessed on the amount paid by the TIPS Member, not on the Vendor's cost or on the amount for which the Vendor sold the item to a dealer or Authorized Reseller. The Parties intend that Vendor shall be responsible and liable for TIPS Sales made by Vendor's Authorized Resellers. Vendor agrees that it is voluntarily authorizing this Authorized Reseller and in doing so, Vendor agrees that it is doing so at its own risk and agrees to protect, indemnify, and hold TIPS harmless in accordance with Sections 14-17 above related to Authorized Reseller TIPS Sales made pursuant to this Agreement or purporting to be made pursuant to this Agreement that may be asserted against Vendor whether rightfully brought or otherwise. The Parties further agree that it is no defense to Vendor's breach of this Agreement that an Authorized Reseller caused Vendor of breach this Agreement.
- 20. Circumvention of TIPS Sales.** When a public entity initiates a purchase with Vendor, if the Member inquires verbally or in writing whether Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether the Member is seeking a TIPS purchase. Any request for quote, customer communication, or customer purchase initiated through or referencing a TIPS Contract shall be completed through TIPS pursuant to this Agreement. Any encouragement or participation by Vendor in circumventing a TIPS sale being completed may result in immediate termination of Vendor's TIPS Contract(s) for cause as well as preclusion from future TIPS opportunities at TIPS sole discretion.
- 21. State of Texas Franchise Tax.** By signature hereon, Vendor hereby certifies that Vendor is not currently delinquent in the payment of any franchise taxes owed to the State of Texas under Chapter 171 of the Texas Tax Code.
- 22. Termination.**
- A) Termination for Convenience. TIPS may, by written notice to Vendor, terminate this Agreement for convenience, in whole or in part, at any time by giving thirty (30) days' written notice to Vendor of such termination, and specifying the effective date thereof.
 - B) Termination for Cause. If Vendor fails to materially perform pursuant to the terms of this Agreement, TIPS shall provide written notice to Vendor specifying the default. If Vendor does not cure such default within thirty (30) days, TIPS may terminate this Agreement, in whole or in part, for cause. If TIPS terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.
 - C) Vendor's Termination. If TIPS fails to materially perform pursuant to the terms of this Agreement, Vendor shall provide written notice to TIPS specifying the default ("Notice of Default"). If TIPS does not cure such default within thirty (30) days, Vendor may terminate this Agreement, in whole or in part, for cause. If Vendor terminates this Agreement for cause, and it is later determined that the termination for cause was wrongful, the termination shall automatically be converted to and treated as a termination for convenience.
 - D) Upon termination, all TIPS Sale orders previously accepted by Vendor shall be fulfilled and Vendor shall be paid for all TIPS Sales executed pursuant to the applicable terms. All TIPS Sale orders presented to Vendor but not fulfilled by Vendor, prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. TIPS shall submit to Vendor an invoice for any outstanding TIPS Administration Fees and approved expenses and Vendor shall pay such fees and expenses within 30 calendar days of receipt of such valid TIPS invoice. Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS' sole discretion and that any Vendor may be removed from the TIPS program at any time with or without cause. This

termination clause does not affect TIPS Sales Supplemental Agreements pursuant to this term regarding termination and the Survival Clause term.

- E) Vendor hereby waives any and all claims for damages, including, but not limited, to consequential damages or lost profits, that might arise from TIPS' act of terminating this Agreement.

- 23. Survival Clause.** It is the intent of the Parties that this Agreement and procurement method applies to any TIPS Sale made during the life of this Agreement even if made on or near the Contract Expiration Date as defined herein. Thus, all TIPS Sales, including but not limited to: leases, service agreements, license agreements, open purchase orders, warranties, and contracts, even if they extend months or years past the TIPS Contract Expiration Date, shall survive the expiration or termination of this Agreement subject to the terms and conditions of the Supplemental Agreement between Customer and Vendor or unless otherwise specified herein.
- 24. Audit Rights.** Due to transparency statutes and public accountability requirements of TIPS and TIPS Members, Vendor shall at their sole expense, maintain documentation of all TIPS Sales for a period of three years from the time of the TIPS Sale. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Vendor's TIPS Pricing or TIPS Sales with thirty-days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without said notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with Vendor's TIPS Pricing, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format, and at the location acceptable to TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member. These audit rights shall survive termination of this Agreement for a period of one (1) year from the effective date of termination.
- 25. Conflicts of Interest.** The Parties confirm that they have not offered, given, or accepted, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, service to the other in connection with this Agreement. Vendor affirms that, to the best of Vendor's knowledge, this Agreement has been arrived at independently, and is awarded without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement. Vendor agrees that it has disclosed any necessary affiliations with Region 8 Education Service Center and the TIPS Department, if any, through the Conflict of Interest attachment provided in the solicitation resulting in this Agreement.
- 26. Volume of TIPS Sales.** Nothing in this Agreement or any TIPS communication may be construed as a guarantee that TIPS or TIPS Members will submit any TIPS orders to Vendor at any time.
- 27. Compliance with the Law.** The Parties agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations applicable to their entity in connection with the programs contemplated under this Agreement.
- 28. Severability.** If any term(s) or provision(s) of this Agreement are held by a court of competent jurisdiction to be invalid, void, or unenforceable, then such term(s) or provision(s) shall be deemed restated to reflect the original intention of the Parties as nearly as possible in accordance with applicable law and the remainder of this Agreement, and the remainder of the provisions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, unless such holding causes the obligations of the Parties hereto to be impossible to perform or shall render the terms of this Agreement to be inconsistent with the intent of the Parties hereto.
- 29. Force Majeure.** If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement through no fault of its own then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon. Upon delivering such notice, the obligation of the affected party, so far as it is affected by such Force Majeure as described, shall be suspended during the continuance of the inability then claimed but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch. In the event that Vendor's obligations are suspended by reason of Force Majeure, all TIPS Sales accepted prior to the Force Majeure event shall be the legal responsibility of Vendor and the terms of the TIPS Sale Supplemental Agreement shall control Vendor's failure to fulfill for a Force Majeure event.
- 30. Immunity.** Vendor agrees that nothing in this Agreement shall be construed as a waiver of sovereign or government immunity; nor constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to Region 8 Education Service Center or its TIPS Department. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses,

remedies, or immunities available to Region 8 Education Service Center or its TIPS Department under this Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.

- 31. Insurance Requirements.** Vendor agrees to maintain the following minimum insurance requirements for the duration of this Agreement. All policies held by Vendor to adhere to this term shall be written by a carrier with a financial size category of VII and at least a rating of "A-" by A.M. Best Key Rating Guide. The coverages and limits are to be considered minimum requirements and in no way limit the liability of the Vendor(s). Any immunity available to TIPS or TIPS Members shall not be used as a defense by the contractor's insurance policy. Only deductibles applicable to property damage are acceptable, unless proof of retention funds to cover said deductibles is provided. "Claims made" policies will not be accepted. Vendor's required minimum coverage shall not be suspended, voided, cancelled, non-renewed or reduced in coverage or in limits unless replaced by a policy that provides the minimum required coverage except after thirty (30) days prior written notice by certified mail, return receipt requested has been given to TIPS or the TIPS Member if a project or pending delivery of an order is ongoing. Upon request, certified copies of all insurance policies shall be furnished to the TIPS or the TIPS Member. Vendor agrees that when Vendor or its subcontractors are liable for any damages or claims, Vendor's policy, shall be primary over any other valid and collectible insurance carried by the Member or TIPS.

- 33. Binding Agreement.** This Agreement shall be binding and inure to the benefit of the Parties hereto and their respective heirs, legal successors, and assigns.

Any proceeding, claim, action, or alternative dispute resolution arising out of or relating to this Agreement or involving TIPS shall be brought in a State Court of competent jurisdiction in Camp County, Texas, or if Federal Court is legally required, a Federal Court of competent jurisdiction in the Eastern District of Texas, and each of the Parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or and contemplated transaction in any other court. The Parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the Parties irrevocably to waive any objections to venue or to convenience of forum.
- 36. Relationship of the Parties.** Nothing contained in this Agreement shall be construed to make one Party an agent of the other Party nor shall either party have any authority to bind the other in any respect, unless expressly authorized by the other party in writing. The Parties are independent contractors and nothing in this Agreement creates a relationship of employment, trust, agency or partnership between them.

- 39. Minimum Customer Support Requirements for TIPS Sales.** Vendor shall provide timely and commercially reasonable support for TIPS Sales or as agreed to in the applicable Supplemental Agreement.
- 40. Minimum Shipping Requirements for TIPS Sales.** Vendor shall ship, deliver, or provide ordered goods and services within a commercially reasonable time after acceptance of the order. If a delay in delivery is anticipated, Vendor shall notify the TIPS Member as to why delivery is delayed and provide an updated estimated time for completion. The TIPS Member may cancel the order if the delay is not commercially acceptable or not consistent with the Supplemental Agreement applicable to the order.
- 41. Minimum Vendor License Requirements.** Vendor shall maintain, in current status, all federal, state, and local licenses, bonds and permits required for the operation of the business conducted by Vendor. Vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the TIPS Agreement. TIPS and TIPS Members reserve the right to stop work and/or cancel a TIPS Sale or terminate this or any TIPS Sale Supplemental Agreement involving Vendor if Vendor's license(s) required to perform under this Agreement or under the specific TIPS Sale have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.
- 42. Minimum Vendor Legal Requirements.** Vendor shall remain aware of and comply with this Agreement and all local, state, and federal laws governing the sale of products/services offered by Vendor under this contract. Such applicable laws, ordinances, and policies must be complied with even if not specified herein.
- 43. Minimum Site Requirements for TIPS Sales (when applicable to TIPS Sale).**

Cleanup: When performing work on site at a TIPS Member's property, Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by the TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Vendor shall not begin a project for which a TIPS Member has not prepared the site, unless Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in the TIPS Sale Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered Sex Offender Restrictions: For work to be performed at schools, Vendor agrees that no employee of Vendor or a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the TIPS Sale at the TIPS Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety Measures: Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking: Persons working under Agreement shall adhere to the TIPS Member's or local smoking statutes, codes, ordinances, and policies.

- 44. Payment for TIPS Sales.** TIPS Members may make payments for TIPS Sales directly to Vendor, Vendor's Authorized Reseller, or as otherwise agreed to in the applicable Supplemental Agreement after receipt of the invoice and in compliance with applicable payment statutes. Regardless of how payment is issued or received for a TIPS Sale, Vendor is responsible for all reporting and TIPS Administration Fee payment requirements as stated herein.
- 45. Marketing.** Vendor agrees to allow TIPS to use their name and logo within the TIPS website, database, marketing materials, and advertisements unless Vendor negotiates this term to include a specific acceptable-use directive. Any use of TIPS' name and logo or any form of publicity, inclusive of press release, regarding this Agreement by Vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to tips@tips-usa.com. For marketing efforts directed to TIPS Members, Vendor must request and execute a separate Joint Marketing Disclaimer, at marketing@tips-usa.com, before TIPS can release contact information for TIPS Member entities for the purpose of marketing your TIPS contract(s). Vendor must adhere to strict Marketing Requirements once a disclaimer is executed. The Joint Marketing Disclaimer is a supplemental agreement specific to joint marketing efforts and has no effect on the terms of the TIPS Vendor Agreement. Vendor agrees that any images, photos, writing, audio, clip art,

music, or any other intellectual property ("Property") or Vendor Data utilized, provided, or approved by Vendor during the course of the joint marketing efforts are either the exclusive property of Vendor, or Vendor has all necessary rights, license, and permissions to utilize said Property in the joint marketing efforts. Vendor agrees that they shall indemnify and hold harmless TIPS and its employees, officers, agents, representatives, contractors, assignees, designees, and TIPS Members from any and all claims, damages, and judgments involving infringement of patent, copyright, trade secrets, trade or services marks, and any other intellectual or intangible property rights and/or claims arising from the Vendor's (including Vendor's officers', employees', agents', Authorized Resellers', subcontractors', licensees', or invitees') unauthorized use or distribution of Vendor Data and Property.

- 46. Tax Exempt Status of TIPS Members.** Most TIPS Members are tax exempt entities and the laws and regulations applicable to the specific TIPS Member customer shall control.
- 47. Automatic Renewal Limitation for TIPS Sales.** No TIPS Sale may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated into a TIPS Sale Supplemental Agreement shall only be valid and enforceable when Vendor received written confirmation of acceptance of the renewal term from the TIPS Member for the specific renewal term. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. Any TIPS Sale Supplemental Agreement containing an "Automatic Renewal" clause that conflicts with these terms is rendered void and unenforceable.
- 48. Choice of Law Limitation for TIPS Sales.** Vendor agrees that if any "Choice of Law" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Choice of Law" applicable to the TIPS Sale agreement/contract between Vendor and TIPS Member shall be the state where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Choice of Law" clause that conflicts with these terms is rendered void and unenforceable.
- 49. Venue Limitation for TIPS Sales.** Vendor agrees that if any "Venue" provision is included in any TIPS Sale Agreement/contract between Vendor and a TIPS Member, that clause must provide that the "Venue" for any litigation or alternative dispute resolution shall be in the state and county where the TIPS Member operates unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Venue" clause that conflicts with these terms is rendered void and unenforceable.
- 50. Indemnity Limitation for TIPS Sales.** Texas and other jurisdictions restrict the ability of governmental entities to indemnify others. Vendor agrees that if any "Indemnity" provision which requires the TIPS Member to indemnify Vendor is included in any TIPS sales agreement/contract between Vendor and a TIPS Member, that clause must either be stricken or qualified by including that such indemnity is only permitted, "to the extent permitted by the laws and constitution of [TIPS Member's State]" unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing an "Indemnity" clause that conflicts with these terms is rendered void and unenforceable.
- 51. Arbitration Limitation for TIPS Sales.** Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause may not require that the arbitration is mandatory or binding. Vendor agrees that if any "Arbitration" provision is included in any TIPS Sale agreement/contract between Vendor and a TIPS Member, that clause provides for only voluntary and non-binding arbitration unless the TIPS Member expressly agrees otherwise. Any TIPS Sale Supplemental Agreement containing a "Arbitration" clause that conflicts with these terms is rendered void and unenforceable.

In Witness Whereof, the parties hereto, each acting under due and proper authority, have signed this Agreement.

**3
6** Minimum Percentage Discount Offered to TIPS Members on all Goods and Services (READ CAREFULLY)

Please read thoroughly and carefully as an error on your response can render your contract award unusable.

TIPS Members often turn to TIPS Contracts for ease of use and to receive discounted pricing.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer? Only limited goods/services specifically identified and excluded from this discount in Vendor's original proposal may be excluded from this discount.

Vendor must respond with a percentage from 0%-100%. The percentage discount that you input below will be applied to your "Catalog Pricing", as defined in the solicitation, for all TIPS Sales made during the life of the contract. You cannot alter this percentage discount once the solicitation legally closes. You will always be required to discount every TIPS Sale by the percentage included below with the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal. If you add goods or services to your "Catalog Pricing" during the life of the contract, you will be required to sell those new items with this discount applied.

Example: In this example, you enter a 10% minimum percentage discount below. In year-one of your TIPS Contract, your published "Catalog Pricing" (website/store/published pricing) for "Tablet A" is \$100 and for "Tablet Set-Up Service" is \$100. In this example, you must sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - \$90, "Tablet Set-Up Service" - \$90. In year two of your TIPS Contract, you update your "Catalog Pricing" with the market. You add "Tablet B" to your "Catalog Pricing" for \$200 and have increased the price of "Tablet A" to \$110 and the price of "Tablet Set-Up Service" to \$110. In this example, after the "Catalog Pricing" update, you must still sell those items under the TIPS Contract at the proposed 10% discounted price of: "Tablet A" - \$99, "Tablet Set-Up Service" - \$99, and "Tablet B" - \$180.00.

With the exception of limited goods/services specifically identified and excluded from this discount in Vendor's original proposal, if you cannot honor the discount on all goods and items now included or which may be added in the future with certainty, then you should offer a lesser discount percentage below.

What is the minimum percentage discount that you can offer TIPS Members off of all goods and service pricing (whether offered through Pricing Form 1, Pricing Form 2, or in another accepted format) that you offer?

**3
7** Honoring Vendor's Minimum Percentage Discount

Vendor is asked in these Attribute Questions to provide a Minimum Percentage Discount offered to TIPS Members on all goods and services sold under the TIPS Contract. Points will be assigned for your response and scoring of your proposal will be affected. A "YES" answer will be awarded the maximum 10 points and a "NO" answer will be awarded 0 points.

Does Vendor agree to honor the Minimum Percentage Discount off of their TIPS "Catalog Pricing" that Vendor proposed for all TIPS Sales made for the duration of the TIPS Contract?

**3
8** Volume and Additional Discounts

In addition to the Minimum Percentage Discount proposed herein, does Vendor ever expect and intend to offer additional, greater, or volume discounts to TIPS Members?

Point(s) may be assigned for your response in the category of "Pricing" during scoring and evaluation.

"Catalog Pricing" and Pricing Requirements

This is a requirement of the TIPS Contract and is non-negotiable.

In this solicitation and resulting contract, "Catalog Pricing" shall be defined as:

"The then available list of goods or services, in the most current listing regardless of date, that takes the form of a catalog, price list, price schedule, shelf-price or other viewable format that:

- A. is regularly maintained by the manufacturer or Vendor of an item; and
- B. is either published or otherwise available for review by TIPS or a customer during the purchase process;
- C. to which the Minimum Percentage Discount proposed by the proposing Vendor may be applied.

If awarded on this TIPS Contract, for the duration of the contract, Vendor agrees to provide, upon request, their then current "Catalog Pricing." Or, in limited circumstances where Vendor has proposed the Percentage Mark-Up method of pricing in this proposal, proof of Vendor's "cost" may be accepted by TIPS in place of catalog pricing.

EXCEPTIONS & DEVIATIONS TO TIPS STANDARD TERMS AND CONDITIONS

Vendor agrees that, if awarded, Vendor's final TIPS Contract will consist of the provisions set forth in the finalized TIPS Vendor Agreement, Vendor's responses to these attribute questions, and: (1) The TIPS solicitation document resulting in this Agreement; (2) Any addenda or clarifications issued in relation to the TIPS solicitation; (3) All solicitation information provided to Vendor by TIPS through the TIPS eBid System; (3) Vendor's entire proposal response to the TIPS solicitation including all accepted required attachments, acknowledged notices and certifications, accepted negotiated terms, accepted pricing, accepted responses to questions, and accepted written clarifications of Vendor's proposal, and; any properly included attachments to the TIPS Contract. In the event of conflict between the terms of the finalized Vendor Agreement and one of the incorporated documents the terms and conditions which are in the best interest of governmental/qualifying non-profit TIPS Members shall control at TIPS sole discretion.

If Vendor responds, "No, Vendor does not agree" to this Attribute, after this solicitation legally closes and TIPS begins evaluating Vendor's file, TIPS will provide Vendor with a draft Word Document version of the Vendor Agreement and will be instructed to include all requested negotiations as redline edits for TIPS consideration. This is the only proper way to submit proposed deviations for TIPS consideration. TIPS reserves the right to accept, decline, or modify Vendor's requested negotiated terms. For this reason, answering "No, Vendor does not agree" may ultimately delay or prevent award.

Does Vendor agree with TIPS standard terms and conditions as presented in the TIPS solicitation document (RFP, RCSP, RFQ, or other) and the TIPS Vendor Agreement document?

4
1 **TIPS Sales Reporting Requirements**

This is a requirement of the TIPS Contract and is non-negotiable.

By submitting this proposal, Vendor certifies that Vendor will properly report all TIPS sales. With the exception of TIPS Automated Vendors, who have signed an exclusive agreement with TIPS regarding reporting, all TIPS Sales must be reported to TIPS by either:

(1) Emailing the purchase order or similar purchase document (with Vendor's Name, as known to TIPS, and the TIPS Contract Name and Number included) to TIPS at tipspo@tips-usa.com with "Confirmation Only" in the subject line of the email within three business days of Vendor's acceptance of the order, or;

(2) Within 3 business days of the order being accepted by Vendor, Vendor must login to the TIPS Vendor Portal and successfully self-report all necessary sale information within the Vendor Portal and confirm that it shows up accurately on your current Vendor Portal statement.

No other method of reporting is acceptable unless agreed to by the Parties in writing. Failure to report all sales pursuant to this provision may result in immediate cancellation of Vendor's TIPS Contract(s) for cause at TIPS' sole discretion.

4
2 **TIPS Administration Fee Requirement and Acknowledgment**

This is a requirement of the TIPS Contract and is non-negotiable.

The collection of fees by TIPS, a government entity, for performance of these procurement services is required pursuant to Texas Government Code Section 791.011 et. seq. The TIPS Administration Fee is the amount legally owed by Vendor to TIPS for TIPS Sales made by Vendor. The TIPS Administration Fee amount is typically a set percentage of each TIPS Sale legally due to TIPS, but the exact TIPS Administration Fee for this Contract is published in the corresponding RFP or RCSP document. Since 1910, Fruhauf Uniforms has been distinguished by its band: colorful competition winners dressed with unique themes. Fruhauf uniforms are remembered for their dash of dazzle and respected for their military crispness.

The Fruhauf tradition was built on the expertise of four generations:

The entrepreneurial wisdom of founder Herman Fruhauf. Herman began his career after the turn of the century, manufacturing ceremonial dress for lodge and fraternal organization, and designing band uniforms for town bands and circuses.

The creativity of his son, Ludwig (Lou), combining his musical and artistic talents, began making band uniforms during the Great Depression. His innovations in scroll work and design originated many industry standards in patterns and embellishments.

The commitment to individuality continues with Ludwig's son, Fred, and his sons Kenneth and Richard. These generations assist a factory trained sales and production staff to assure perfection and satisfaction of your order from design to delivery.

The family tradition continues with Richard and Kenneth's children (Fifth Generation). Fruhauf Uniforms is the only multi-generation, family owned, band uniform manufacturer in the country today. At Fruhauf we are committed to you.

IN A FRUHAUF UNIFORM

BUYER'S GUIDE

(Questions & Answers About Uniform Purchasing)

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

PROLOGUE

The purchasing of uniforms for your musical organization will be one of the largest single expenditures you make as a director. Many times this purchase is also the most confusing decision you will make. Many directors have stated they feel more knowledgeable of a \$1.00 clarinet reed they recommend to their students than they are of the \$25,000 uniforms they recommend to their school board and band boosters.

Your position of responsibility mandates that you become as knowledgeable as possible when designing uniforms and selecting your vendor. This booklet is prepared with that task in mind. We've provided straightforward answers to many questions that you will be asked. Occasionally the answers are not black and white and we've tried to present information that will help you with your decision.

After you've read this booklet we're sure you will have other questions. PLEASE CALL and discuss those questions. Our job is to provide you all the support you need while working on your project and we want to provide you with definitive answers to your questions before you allow supposition to fill the void.

WHEN SHOULD I START MY UNIFORM PROJECT?

The biggest disappointment you can experience once you've ordered new uniforms is the dreaded news that they won't be finished by your big performance date. Avoid this disappointment by carefully planning your project. Planning not only assures that you won't be disappointed by your delivery date, but you will also impress your administration with your professional approach to the task.

Consider the following sequence of events and the amount of time you should allot for each.

Step 1. - INITIAL DESIGN MEETING. At this time you and your representative sit down and discuss your needs, desires and preferences. This meeting usually takes approximately two hours and should be scheduled when interruptions will be at a minimum.

Step 2. - PREPARATION OF A COMPUTER

COLOR SKETCH. At the initial design meeting decisions are made that result in the production of a computer color sketch of your uniform. The professional sketch will accurately portray the color combinations selected in your

design. Depending on the time of year, this could take from 1 to 3 weeks to generate.

Step 3. - APPROVAL OF THE SKETCHED DESIGN. After you receive the sketch show it to your administration, boosters, whoever will be involved in the funding and/or decision-making. Of course nothing is written in stone and if the design is only loved by you, we scrap that one and start again with the new knowledge we gained from the first sketch. This step will probably take up two weeks of your time.

Step 4. - PRODUCTION OF YOUR EXACT SAMPLE After you have made the necessary changes to the sketch; it is time to order an exact sample of your creation. We will produce a sample for you at no cost or obligation. It is imperative that you see an actual uniform utilizing your design before you order. The time needed for this step will vary depending on the time of year you make your request, but you should probably allow 3 to 4 weeks.

Step 5. - DETERMINATION OF DESIGN Once you receive your sample put it on a student and view the suit in simulated performance situations. You can't really evaluate what a uniform will look like on the 50-yard line from row 20 if you only hold it out at arms length on a clothes hanger. Likewise you won't know how effective the garment is on the stage, in a parade or wherever unless you put it on a person and put them in those situations. Allow yourself 2 to 3 weeks to complete this important task.

Step 6. - PREPARATION OF BID AND CONSTRUCTION

SPECIFICATIONS. If you are in a situation that requires you solicit bids for your uniform project, you must prepare specifications to allow a vendor to properly bid your contract. These specifications contain explicit instructions pertaining to when, where and how to submit the bid, and most importantly detailed instructions on how you want your uniform made. Specifications are discussed in more detail later in this booklet but for now consider that this step will take 1 to 2 weeks to complete.

Step 7. - SOLICITATION OF BIDS. Your school's business office can direct you on the bidding procedures used by your district. This step can take anywhere from 2 to 4 weeks to complete.

Step 8. - EVALUATION OF SAMPLES. Each vendor is required to submit a sample for evaluation to your school. THIS IS THE MOST CRITICAL STEP IN THE PROCESS. At this point you must determine which vendor will

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

provide your school the quality of uniform you desire. Evaluation is discussed in greater detail later in this booklet, but you should plan on doing your evaluation approximately one week PRIOR to opening your bids. After you have completed your evaluation, you should prepare a written sample evaluation that recommends a vendor, based on quality, for submission to your boosters, administration, school board or whoever is involved in the decision making process.

Step 9. - OPENING THE BIDS AND AWARDING THE CONTRACT.

After the evaluation is complete and your report submitted, the bids are opened and the companies pricing is exposed. Based on your evaluation and the pricing submitted, you are now in a position to award the contract.

Step 10. - MEASURING THE STUDENTS AND PLACING THE ORDER.

After you have awarded your contract, the successful bidder will send a representative to measure your students and complete the order. Completion of the order involves obtaining your approval of a pilot sample, determining the sizes desired, and finalizing the payment method. Once those three items are received at the factory, your order is placed and the production time schedule begins.

ARE THERE "GOOD" TIMES TO BUY?

Of course your organization's financial situation often dictates when you can purchase BUT if you are flexible there are advantageous times to buy. If you are making a purchase of a full set of suits, your best time to purchase is in the "off" season.

In the band uniform business the "off" season runs from mid- November through the end of February. If you place your order so that manufacturing will take place during our "off" season, you will reap the rewards.

Another consideration is the timing of price increases. Since we are reactionary with our price increases (We increase our prices when our suppliers increase their prices), our increases usually take place around the first of the year. So to achieve the ultimate advantage for your order, you should time your schedule to allow for an order to be placed around the end of November.

The least advantageous time to order is in the middle of the busy season - the first of April to the end of September. Sadly this is the time most schools must order; however if you can order in the "off" season it is to your advantage.

HOW LONG WILL IT TAKE TO MAKE MY UNIFORMS?

The length of time necessary to produce your order is affected by many factors. Each order requires materials from over 40 different suppliers. We have to allow time for delivery of the materials and then schedule your actual production time. Depending on the garment design this production time can vary a great deal. Of course, WHEN you order plays a significant role in delivery time also.

The actual production of your order does not begin until the approved sample, measurements, and purchase order and/or deposit are received in the factory. It doesn't make

any difference if you decide to buy in March but don't clean up the order until June, the clock of production time doesn't start ticking until all three items listed above are in the factory.

When you receive your bid or exact price quote, you will be given a delivery time frame. Usually this will be anywhere from 120 to 150 days. REMEMBER, this clock doesn't tick a tock until the order is complete.

If you order in our "off season", you might receive uniforms in 90 days. If you place your order in late spring, expect delivery to take the full amount of time listed in the quoted delivery time - usually 150 days. As you can see, to insure delivery for that first ball game you should complete everything no later than the end of March the preceding spring.

HOW MUCH WILL NEW UNIFORMS COST?

Several factors go into pricing a garment. Some of these factors you can control through design, other factors are constant. The first complex question asked a uniform Representative meeting with a group is "What is it going to look like, when will I get it and how much will it cost?"

The biggest factors affecting price that you can control While designing a garment are:

1. Type of fabric used.
2. Quantity of uniforms purchased.
3. Amount of braid and detail work on the garment.

Only after these question are answered we are able to give you a price estimates. Usually a pretty realistic estimate can be made when a computer sketch is produced.

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

WHICH FABRIC SHOULD I USE?

There are three basic types of fabrics used:

- 1) 100% wool,
- 2) a blend of wool and polyester - often referred to as Dac-Wool, and
- 3) 100% polyester.

Each material has strong points and weak points. As far as costs go 100% wool is by far the most expensive fabric with 100% polyester being the least expensive by comparison. However, cost per yard is not necessarily the rule when determining "cost". Your school's performance schedule as well as climate and budget should all be factored in when choosing your material.

Many times we hear the mistaken notion that you don't want trouser wool because it is too hot and the polyester would be cooler. In fact, the wool allows for better air transfer "breathing" - than polyester. You can also purchase different weights of each type of material, throwing another variable into your equation. Your fabric decision should be made only after extensive consultation with your uniform representative.

HOW DOES QUANTITY AFFECT PRICING?

If you have ever visited a uniform manufacturing facility the answer to this question is obvious. If you haven't toured a manufacturer's facility we strongly encourage you to make such a trip a priority. However the answer to the question lies in the fact that manufacturers are set up to produce large quantities of an item. In many ways it is just as easy for a manufacturer to make 100 uniforms as it is to make 1.

The "fixed costs" in manufacturing, order processing, purchasing, etc., have to be factored into each order. If these costs can be factored into 100 units instead of 10, the cost per unit is greatly affected. The uniform manufacturers have discounts at various quantity levels. At Fruhauf these quantities are 1-29, 30-49, and 50+.

The amount of the discount varies, but many times if you are within three or four units of reaching the next pricing schedule you can order the additional suits at no additional expense once the discounts are factored in.

One of the biggest shocks experienced by a band director is when he calls to order 5 more uniforms just like those he ordered 100 of last year. He can't understand why the \$250 uniform of last year is now close to \$400. The increase is a result of the loss of the quantity discount and the price increases that have occurred since the last order.

HOW MANY SHOULD I BUY?

The industry recommends the purchase of 20%-25% more uniforms than the number of students you plan to outfit. If you are trying to put 60 students in uniform, you should purchase 75 uniforms. These additional uniforms are necessary to provide stock sizes that allow for fitting your organization in the future. Each year your 60 students are not going to be built exactly like last year's 60, so the additional 15 suits are going to be a variety of sizes that will accommodate your needs.

Your decision on quantity should also be based on your projections of future needs. If you currently have 40 kids in your performing organization but you can project 60 students in two years, base your purchase on 60 + 25%, or 75 uniforms, due to cost factors discussed earlier. It is less expensive to buy the additional suits now than it will be after price increases and the loss of your quantity discount.

HOW DOES BRAID AND ORNAMENTATION AFFECT PRICING?

The biggest cost in braid and embroidery is not materials but rather labor. Remember each uniform manufactured is an "exclusive" for your school. Unlike "civilian manufacturers", we cannot manufacture several hundred 38R male charcoal gray band uniforms. Each order is unique and distinctive, and that fact requires intensive "hand work" which translates into added costs.

When trying to determine how much ornamentation is correct, consider if the detail will be effective when you view the uniform in actual use. Many ideas that look great from two feet away are lost when you are twenty yards away from the uniform. By viewing a computerized color sketch, and ultimately an exact sample uniform, you will be able to determine the effectiveness of the trim work.

HOW IS BILLING HANDLED?

The terms of your account depends on who will be responsible for payment. If your school district will issue a purchase order for the total amount of the order, no money is due for 30 days after delivery of the order. However, if your booster club is responsible, all uniform companies require a deposit at the time the order is placed with the balance due on delivery of the uniforms.

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

If your district wants to place the order in the spring of the year with billing to take place in the fall after the commencement of the new fiscal year, you should specify that when you go to bid. Uniform companies understand this situation and will usually work with the district. Don't assume however, you can place an order with delivery in January and the bill due in September.

The deposit required of a booster club is 50%. If your total order is \$20,000 and the boosters are responsible for the full amount, they must submit a check for \$10,000 to finalize the order and start actual materials acquisition and construction. If the booster club were responsible for \$10,000 of the \$20,000 bill, they would have to submit a check for \$5,000 at the time of order placement to secure their portion, with the remaining \$10,000 secured with a school purchase order.

If your booster club is responsible for any or all of the bill, we strongly recommend that you enter into an agreement with your school district that will allow the school to issue a purchase order for the full amount and the boosters pay the school their portion. By doing this, no money is due until 30 days after delivery of the uniforms AND your boosters can keep their money in the bank drawing interest until the school has to pay the bill.

WHAT ARE BID AND CONSTRUCTION SPECIFICATIONS?

After you have determined exactly what you want your uniforms to look like, what you want them made of, and how many you want, it is time to find out how much the manufacturers are going to charge to make them. You accomplish this by soliciting bids. Through this process you let the manufacturers know exactly what you want and they in turn let you know exactly how much it will cost. Prior to this time you will have received BALL PARK pricing to be used during your budgeting sessions, but before you can receive an exact quote you have to tell the companies exactly what you want.

Your Fruhauf representative will be happy to prepare bid specifications for you. These specifications must outline in detail exactly what you want your uniform to look like

- AND exactly how the garment is to be constructed. As mentioned earlier, all companies can make uniforms that look very similar, however, the way they accomplish this is as different as a Cadillac is from a Yugo, they can

both make a white car but they aren't the same. Your bid request must stipulate exactly what you expect so that pricing can be figured as accurately as possible.

Your bid packet consists of essentially two different parts,
1. construction specifications and
2. styling specifications.
Let's look at each individually.

CONSTRUCTION SPECIFICATIONS. These specifications deal with such items as the type of material to use, the quality of zippers, buttons, lining, etc. This is also the area where you will find the description of how the sleeves are to be set, how the collar frame will be covered, what length adjustment zipper will be used on the trouser sides, the quality of material used to make the hat frame, and on and on. All samples, exact or stock, submitted for your evaluation must meet these construction specifications.

These are truly the items that make the difference between manufacturers. when you manufacture an item there are two major ways to lower costs, use lesser quality materials or just leave certain items or sewing operations out. Your construction specifications are your protection against such practices. Construction specifications generated by Fruhauf call for the quality of construction found in a Fruhauf garment. By submitting your bid requests using Fruhauf construction specifications you are assuring your school of receiving the highest quality product available.

Through evaluation of the samples you receive, you can determine the quality of the garment offered by the different manufacturers. Failure of a manufacturer to meet construction specifications is grounds for elimination of their bid. After all, you wouldn't buy a school bus simply because it is yellow if it didn't have enough seats, regardless of price, and the same is true for band uniforms. If the suit does not contain all of the necessary items it is simply not what you requested.

By going over your exact sample with your uniform representative, you can become familiar with the construction demands you should make. The level of quality you will accept is purely a decision made by you and your school. When making a purchase of this magnitude you should not accept less than the best.

STYLING SPECIFICATIONS. Many times the styling specifications are considered more important than the construction specifications. Your interest in design is understandable, however you must remember that it is

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

much easier to duplicate design than construction. Your design can quickly deteriorate if the foundation it is built upon is not strong enough to afford you years of service.

Styling specifications are the items that detail what colors you want where on the uniform, the exact placement of the school logo, which braids to use where, etc. We don't mean to minimize the importance of styling specifications, however they are only a part of a complete bid package.

Stock samples submitted for a bid evaluation do not have to meet styling specifications.

WHO SHOULD PREPARE MY SPECIFICATIONS?

The answer to this question lays in the quality you expect. The manufacturer that you have prepare your bid specifications will submit specifications that call for their method of construction. If a manufacturer that employs questionable construction methods prepares your bid specifications, you have no protection against use of those shoddy methods during actual construction of the garments.

If your bid specs offer you no protection, and your school requires you take the lowest bid meeting specifications, and then you have made yourself very vulnerable. By using bid specifications that call for the highest standards, and then by holding all manufacturers to those standards, you are assured of receiving the quality of uniform you demand.

By using the proper bid specifications you will not be a victim of low ball pricing, but rather you are assured of receiving a uniform that meets your specifications. Remember, if the sample submitted does not meet the CONSTRUCTION SPECIFICATIONS you sent out, the bid should be rejected. If you feel that any deviation from the construction specifications exceeds your request, you also have the right to accept any deviation, this decision is totally up to your organization.

WHAT IS THE PROPER WAY TO EVALUATE A UNIFORM?

Evaluation is the key to receiving the quality of product you desire. Through thorough evaluation you can determine which uniform actually provides the "best buy". The "best buy" cannot be determined by the lowest price, but rather by the lowest price offered by the company that meets the standards of construction you have outlined in your specifications.

To determine which company provides what you want, you must conduct an evaluation. You should conduct your evaluation of quality and construction prior to the opening of the bids. This evaluation should be completed and a report prepared PRIOR to the actual opening of the bids. If you attempt to complete this task after the bids have been opened, your evaluation could be swayed by the dollar signs bouncing around in your head. The sole purpose of the evaluation is to determine quality and make a recommendation based on quality, pricing will be added to your formula at the bid opening.

The first step in the evaluation is the development of an evaluation committee. This group should include people knowledgeable of sewing and garment construction, however, not limited to these people. Anyone involved in the final decision should be involved if possible. You might want to include your home economics teacher, a local tailor, the booster club president, a school administrator, and even a school board member. This group will meet prior to the bid opening (usually about a week earlier), conduct the evaluation and make a recommendation of manufacturer based on construction.

The basis for your evaluation is the construction specifications you sent each company. With seam rippers in hand, you should open the garments submitted by the companies (on the seams please!) and determine exactly how they make their suits, You are not responsible for closing the seams you open, we are submitting these samples to you for evaluation, USE THEM!

With our construction specifications in one hand and the sample uniform in the other, conduct your evaluation and determine the quality of each sample submitted. Even if a company did not provide an "exact" sample (one that meets your styling specifications), the sample submitted must represent their construction techniques and methods. By a thorough evaluation of the samples submitted, you can determine your manufacturer of choice.

After you have completed the actual evaluation, take the time to prepare a written report of your findings. Have each member of your evaluation committee sign the report to indicate their support of the findings. Board members and administrators appreciate having such appraisals committed to paper. Such a presentation will

facilitate their discussion, and it also gives your evaluation more credence. We have different forms that reflect Fruhauf construction techniques that you can use when conducting your evaluation and preparing your presentation.

FRUHAUF UNIFORMS INC.

BUYERS GUIDE

At the actual bid opening, make your recommendation of manufacturer prior to the opening of the bids. Your recommendation is made on the basis of evaluation of quality, and becomes one element in the overall decision-making process.

FINALIZING THE ORDER

Once you have completed the uniform evaluation, prepared the written summary of the findings of the committee and made your presentation to the governing body, the bids are opened. Now you have all the pieces to the puzzle and it is time to make a decision. Your decision must be to award the contract to the company offering the product that meets the standards you have established, at the most competitive price. This decision is totally in the hands of the school and the uniform companies must abide by the decision made by your school.

After you have selected your vendor, you should notify all the bidding vendors of your decision. Samples sent for evaluation need to be returned to the manufacturers as soon as possible. The successful vendor will send a representative to your school to measure your students and finalize the order.

At this time you must give your approval of the sample uniform. The sample uniform will be returned to your selected vendor to be used as the prototype that is the ultimate authority if questions arise about your order. Most often this sample is the "exact" sample that was provided to you early in the process. If you have made styling changes since the sample was produced, the company can provide "dummy" parts (i.e. sleeves, coat fronts, etc.) that show the finished look. These parts should be attached to your sample showing your final design. If the changes were significant, the vendor may supply another sample for your approval. However, this takes up precious time and holds up production of your order, therefore, most schools work with the original sample and any "dummy" parts that are needed.

Your Fruhauf representative will also measure your students at this time. The question that always comes up is "Who should we measure?" We recommend that you measure the current organization that will use the uniforms. If you have a 9th grade through 12th grade group, we would recommend you measure the CURRENT 9th through 12th grade students. If you measure the 8th through 11th grade students (next years 9th through 12th grade), you will have uniforms that fit students in 8th through 11th grade. After your students are measured, your Fruhauf representative will show you the sizes taken

so far and you and your Fruhauf representative can then decide on the sizes of the extra uniforms that you are ordering. This method is not written in stone and if you do have that large 8th grade student you would really like to measure, then we will measure them. We don't want you to wind up with "a closet full of suits that are too small to use" anymore than you do.

After you have determined sizes, the financial aspects of the order must be worked out. As mentioned earlier, the order is complete only when accompanied by a purchase order or deposit check. To facilitate things, please have this phase of the process figured out before measuring day. If you say "We'll send that P.O. within a day or two! It is a sure bet that we won't see a purchase order within a month, and you will be upset when you are told your delivery will be delayed since the order was not finalized on the day measurements were taken.

Once the representative has accumulated the measurements, approved sample and purchase order and/or deposit check, you can relax and start cleaning out your closets in anticipation of delivery of your new uniforms.

EPILOGUE

As we mentioned in the beginning of this presentation, the purchase of uniforms will be one of the largest investments you make. It becomes the responsibility of individuals involved to provide their school and community the highest quality product available. Hopefully this booklet has answered many of your questions. We are sure that not all of your questions have been answered however, and we stand ready to assist you in any way possible.

When you are evaluating companies, you must consider service and support offered by the manufacturers. Once your uniforms are delivered the representative's job is only half done. For over ninety years, Fruhauf Uniforms, Inc., has been providing quality products and complete service and support to schools throughout the United States. Today we stand ready to offer you that same support in your project, call on us for that support.

QUALITY FEATURES OF A FRUHAUF UNIFORM

As with any other manufactured item, differences exist between band uniforms constructed by various manufacturers. Although uniforms may look the same when a cursory visual comparison is made, the true differences in a garment are found when evaluating inner construction and quality of craftsmanship. *FRUHAUF UNIFORMS, INC.*, has been manufacturing quality band uniforms since 1910. This experience has culminated in the finest quality garment in the industry today.

Emphasis is placed on appearance, fit, and durability, insuring the purchaser of the best investment of their uniform dollar. The following lists detail a few of the items that make a *FRUHAUF* uniform the benchmark of the industry.

PATTERNS

Our uniform patterns have been developed over 90 years of actual uniform design and production. The patterns are designed specifically for child, adolescent and adult age groups. The patterns are also made separately for male and female students allowing for proper proportions in the garment for proper fit to the students.

COATS

The following construction features are found in a *FRUHAUF* coat:

1. Four piece front construction allowing for proper chest, bust, and waist suppression in all size ranges while eliminating unsightly bust darts.
2. Insleeve and side body seams are 1" double, to allow for proper alterations.

3. The coat canvas is composed of a layer of hymo coat canvas, supported by a layer of "Nylo-flex", covered by a section of felt applied with rows of zig-zag stitching. This method provides for proper chest support and contour without bulk or unsightly lines from pressing as found with layered hymo canvases.
4. A 3/8" non-bias tape is run down the front and along the base of the coat to ensure body and shape retention .

This insures that the frame will not crack which results when rivets are used to attach the hook and eye.
