

**Friday, July 22<sup>nd</sup>, 2022**

**To Whom It May Concern:**

**The TIPS program made it easier for a local school district to get competitive pricing for their large re-roofing project from qualified roofing contractors that they can trust and know will do a good job.**

**On our end, we know that we are up against qualified roofing companies and should have competitive quotes.**

**The process post quote and throughout the entire job went great with all parties happy with the project.**
