...an easier way to purchase

About TIG, a Converge Company

As a growing solutions provider, TIG is acutely aware of the ever-changing demographics and needs in our various markets and how these changes influence future technology. With over 40 years of experience implementing revenue driving technology solutions, TIG has grown by building strong relationships with clients and market leading partners. Our ability to stay agile strengthens us and this commitment is a vital part of our business achievements and essential to our customer’s long-term sustainability.

TIG, a Converge Technology company, is a global company located in San Diego, California with strategic locations in the United States serving government and education customers.

TIG maintains ISO Quality Certifications that aid in providing a secure supply chain and propel continual improvement in meeting SLAs and customer needs:

- ISO 9001:2015 Quality Management Systems – consistently improving efficiencies while meeting customers’ applicable statutory and regulatory requirements; aimed at enhancing customer satisfaction.
- ISO/IEC 20243:2018 Open Trusted Technology Provider Standard (O-TTPS)-Mitigates maliciously tainted and counterfeit products out of the supply chain.

Additional Converge Companies that are Authorized Resellers that can accept orders.

About TIPS

Founded in 2002, The Interlocal Purchasing System (TIPS), allows Education, Government and Non-Profit Agencies to purchase from any of their Awarded Vendors without having to competitively solicit and procure the products and services themselves. Established with over a decade of experience in the purchasing procurement industry, TIPS makes purchasing for their Members easy, compliant, and economical. Their competitively bid contracts streamline the purchasing process saving Members both time and money. This process offers opportunities for greater efficiency in pricing and delivery of goods and services by contracting with their high-quality vendors, such as TIG.

Technology Integration Group and TIPS Cooperative have partnered to bring contract savings and efficiencies to Public Agencies nationwide.

TIPS, one of the Premier National Purchasing Cooperatives in the United States, has been serving public agencies since 2002. TIPS help provide a quick and efficient delivery of Technology Integration Group’s products and services, while maintaining procurement compliance for Education, Government and Non-Profit Agencies.
