### Overview

<p>BUCKEYE TECHNOLOGY SOLUTIONS dba CCS Presentation Systems is a leading technology products and services dealer that provides full-service design build services including integration, installation, maintenance and training of audio and video equipment, including large format LCD displays, digital projectors, classroom technology, software, and interactive displays, interactive whiteboards, room control systems, audio systems, high definition videoconferencing systems and more. CCS is a leading technology and services dealer specializing in providing, installing, and servicing audiovisual presentation products, video conference systems, classroom technology, software, and interactive displays. Our team will provide a turnkey design, install the equipment, train your staff, and provide service and maintenance as well. CCS has over 25 years of experience in designing, installing, and supporting presentation systems in every type of environment including classrooms, auditoriums, huddle spaces, meeting rooms, conference rooms, stadiums, council chambers, boardrooms, lobbies, cafeterias, and anywhere else people meet to present, collaborate, and share ideas.</p>
