Overview

Seconds Matter Safety Solutions provides the technology, training, and strategies to support both the rescuer's life, and the life of the person/people being rescued. Our goal is simple, save lives!

Our technology based solutions offer a holistic approach to your safety needs. We seamlessly connect your safety related resources as well as offer comprehensive support and training in order to shorten response times with emergency personnel. From alarms and notification systems, to emergency response systems and access control - we've got you covered. We install and integrate the latest lifesaving rapid response technologies to notify the proper authorities of specific threats in your environment. Our partners include BluePoint Alert Solutions, Motorola, Avigilon, Halo, Omnilert, Evolv, Bosch, iPhone, Kidde, BenQ, Promethean, Shooter Detection Systems and other best in class manufacturers that focus on safety technology products.
