SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB, SDB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.
