Be safe. Stay secure.

Protect your workforce and keep data safe with a fingerprint scanner, flashlight, and hand strap.

Maximize productivity.

Be quicker, smarter, and stronger with a Quad-Core Intel processor, 8GB memory, and up to 256GB of storage.

Enhance mobility.

Collect data anywhere, anytime with built-in Wi-Fi, Bluetooth, GPS, and more.

OVERVIEW

01

For more tech specs, see **Tech Specs - 02** or visit bakusa.com.

Glutton for punishment.

Take on the harsh realities of your workday with the tablet as tough as you are. Specially engineered to dominate the most punishing environments, the Seal is waterproof, weatherproof, and virtually indestructible. Withstand drops, dust, and extreme conditions to get the job done right. All day, every day.

Strong. Smart. Secure.

Stay on top of calls, appointments, and inspections with Wi-Fi and Bluetooth connectivity. Capture photos and record videos with front and rear cameras. Map routes. Measure the atmosphere. Scan your fingerprint. Anything else? The Seal is an unstoppable force of power and productivity.

Strong on the outside. Sweet on the inside.
