Overview

VSC Fire and Security is a full service Life Safety, Security and Technology company founded in 1958. VSC has 20 offices maintaining customer relations in 16 states and the District of Columbia.

VSC specializes in commercial / industrial design and installation of the following: Sprinkler systems, fire alarm, chemical / foam suppression, access control, video surveillance, backflows, IOT cabling, fiber optics, hand held extinguisher, intercom, intrusion systems, nurse call and BDA emergency signal amplification. VSC also offers service after the sale with 24-monitoring, inspections, preventative maintenance, off-site database management, video verification, and cloud-based security services.

VSC employs over 1,100 people and uses "in-house" personnel for all disciplines of design, installation, service and inspections. Many VSC employees have NICET and BICSI certifications in fire alarm, suppression, sound, cctv, structured cabling, sprinkler or inspections. In addition to national certifications, VSC technicians are also factory certified on system they install.
