Overview

State Industrial Products has been helping our customers "CARE FOR WORK ENVIRONMENTS®". Today, State Chemical is one of the largest privately-held suppliers to the industrial and institutional maintenance marketplace in North America. A manufacturer with facilities throughout the United States, Canada, and Puerto Rico, State Chemical offers over one thousand products and continues to set the industry standard in product development, service and innovation.

State Industrial Products produces a full line of cleaners, degreasers, drain care, air care, floor and carpet care, hand care, water treatment, ware wash, laundry, dilution systems, lubricants, and odor control products, as well as seasonal products and a selection of custodial supplies and equipment. State Industrial has developed a line of Green Seal® and Ecologo® Certified products that set the standard for effectiveness and environmental responsibilities. Success in managing your work environment begins with great products that work well. Our first priority has always been to bring you the very best products for your maintenance, repair and operations challenges.
