Overview

ZDAAS is a State of Maryland Minority Business Enterprise (MBE) founded in 2008. In Federal space, ZDAAS holds WOSB/EDWOSB status.

ZDAAS, an ISO-certified firm with certifications: ISO 9001:2015, ISO 27001:2013 and ISO 20000-1:2018, provides information technology (IT) services, custom software and applications development, infrastructure support and migrations, staff augmentation and hardware supplies, including computers, computer parts, servers, printing solutions, networking solutions, security surveillance solutions, audio/video solutions.

Our executive management is highly educated and qualified, equipped with professional certifications like Project Management Professional (PMP), SCRUM Master (CMS), Agile Project Management, and Quality Assurance professional. The ZDAAS management team has more than 20 years of experience working with government agencies.

One of our top notch specialties is Staff Augmentation Services. ZDAAS, during the last 12 years of experience, provided staff for almost every industry and qualification. We offered to staff for transportation, education systems and the healthcare industry with every skill, including office staff, school teachers, computer programmers, engineers, projects & program managers, business processes engineers, security professionals, and many more.
