Overview

EqualLevel, a leader in cloud-based procure-to-pay management, helps public sector organizations achieve financial success by optimizing spending and reducing costs, all while ensuring legal and contract compliance. Via real-time cognitive technologies, EqualLevel's customers have the potential to see a full return on investment within the first six months of go-live. The company is located in Rockville, Maryland, just 12 miles north of the Washington, DC/Northern Virginia Technology Corridor. EqualLevel's mission is to provide the benefits of eProcurement to all public sector organizations, regardless of size. Our solutions include: - eProcurement: Browse all your approved and compliant supplier contracts, comparison shop, submit requisitions for approval, send orders, and never overpay with the EqualLevel Savings Advisor (ELSA). - Payables: Receive eInvoices from suppliers, automate the reconciliation process, and integrate ok-to-pay with AP Automation. - MyFunds: Automate the fund management process, eliminate paper receipts and forms, and track all spending. - GO Store: Manage catalogs and enable suppliers with online storefronts that integrate with buyers' ERPs.
