Overview

ESS is the leading personnel and management solution exclusively for K-12 school districts. The company provides a comprehensive program that streamlines administrative operations, improves technology performance, and places high-quality substitute teachers, paraprofessionals, therapists, clinicians, support staff, and certified virtual teachers. This full-service program provides districts with more resources and stronger classroom support, elevating student achievement and educational equity.

The company is known for the personalized, modern, and innovative solutions it creates for its district partners. Whether it's targeted multimedia recruitment campaigns that bring in quality staff in record numbers; face-to-face training that is personal, hands-on, and invaluable to long-term professional development; or technology implementations that enable in-depth data analysis and reporting, ESS uses its 23 years of experience exclusively serving educational institutions to create profound and unique value for its district partners.
