Overview

Energy Systems Group, LLC (ESG) is a leading energy services provider that specializes in energy efficiency, resiliency, sustainability, and infrastructure modernization solutions in the government, education, healthcare, commercial, and industrial sectors. Since 1994, ESG has implemented nearly \$4 billion of energy and infrastructure improvement projects in 39 states, Washington D.C., and the U.S. Virgin Islands. Accredited by the National Association of Energy Service Companies (NAESCO), ESG's comprehensive solutions include facility-wide audits, engineering and design services, construction and project management, operations and maintenance, and measurement and verification of savings.

ESG's projects and customers have earned several awards and certifications. From Leadership in Energy and Environmental Design (LEED) certifications to being recognized by the U.S. Department of Environmental Protection as Energy STAR Leaders, ESG's innovation, performance and expertise is award-winning. In addition to its strong record of performance and innovation, ESG also offers customers a range of procurement options including the GSA Multiple Award Schedule.

ESG is a subsidiary of CenterPoint Energy, Inc. As the only investor-owned electric and gas utility based in Texas, CenterPoint Energy, Inc. (NYSE: CNP) is an energy delivery company with electric transmission and distribution, power generation and natural gas distribution operations that serve more than 7 million metered customers in Indiana, Louisiana, Minnesota, Mississippi, Ohio and Texas. As of December 31, 2021, the company owned approximately \$38 billion in assets. With approximately 9,400 employees, CenterPoint Energy and its predecessor companies have been in business for more than 150 years.
