### Overview

*Performance Scoring is a web-based performance engagement platform designed for school districts.*

*Tailored specifically for each role at the district, campus, and classroom level, Performance Scoring is designed to engage*

*staff and students while giving them a voice and a clear path to grow and succeed.*

*The application provides information to the right people at the right time by using a role-specific dashboard view that allows users to quickly*

*determine where more attention is needed, and which areas are performing well.*
