Overview

CC Hardware was founded in 1906 and has served retailers, contractors and industrial customers in South Texas since its inception. CC Hardware became CC Distributors, Inc. as a result of a merger of several companies. CC Distributors, Inc. sells and delivers to its 450 civilian accounts a full line of janitorial, plumbing, electrical, hardware, paint, lawn and garden, and farm/ranch supplies. Today, in conjunction with our wholesale distribution supply business, CC Distributors has developed fully integrated supply store operations in partnership with major US Corporations and free standing on site integrated supply stores at industrial locations.
