Overview

CORE Construction was founded in 1937, and has grown from a small masonry company in Illinois to a national General Contractor with twenty regional offices. Our portfolio consists of both private and public sector work across the United States. CORE provides exceptional building services in a variety of construction disciplines serving the educational, municipal, job order contracting, office, retail, religious, multifamily, senior living, hospitality, healthcare, light industrial and federal markets. With each project we undertake, we offer you the resources of over 1,200 employees and a bonding capacity of \$2 Billion. Our company's primary mission is to earn the trust of our employees, partners, and clients. As a business, we are successful when our clients' projects finish on time, and within budget. At CORE, we believe you should have the best of both worlds. Our team is committed to delivering the high-quality services of a nationwide leader, while using a local workforce to create customized buildings that meet your needs and strengthen the community.
