Overview

BridgeNet Communications designs and installs low voltage wiring systems. Our areas of expertise include network cabling, fiber, security systems, access control, fire alarm systems, and audio/visual installations. BridgeNet proudly serves the Rio Grande Valley in deep South Texas, the Austin and San Antonio regions, as well as the Greater Houston area. Our skilled technicians have supported school districts, counties, hospital systems, colleges, and commercial clients for more than 15 years. We look forward to assisting TIPS members with all of their cabling needs.
