Overview

SPA Skateparks is a design build skatepark contractor of premier skateboard parks and pump tracks for cities and counties across the country. We are a Texas based skatepark contractor with resume of 50+ projects developed in the past 15 years. Our team of active skateboarders consists of registered landscape architects, engineers, professional skatepark designers, skatepark public planning consultants, skatepark construction managers and specialized skatepark construction crews who have been perfecting site integrated, poured in place concrete skate parks since 2006. We believe a properly developed skatepark should not only consist of world class skatepark terrain, but also become an inviting public space for all to enjoy.
