Overview

Zepol Productions, Inc., doing business as AOM, is a premier technology and consulting firm headquartered in Texas. As an industry leader, AOM specializes in providing comprehensive solutions across various sectors including technology infrastructure, software development, and strategic business consulting. The company boasts a strong reputation for its innovative approach and commitment to delivering exceptional value to its clients.

Certifications and Recognitions:

AOM is proud to be recognized as a minority-owned business holding several prestigious certifications that underscore its commitment to excellence and inclusivity:

SBA 8(a) Certification: This certification acknowledges AOM's role in serving small and disadvantaged businesses, facilitating access to the economic mainstream of American society.

Service-Disabled Veteran-Owned Small Business (SDVOSB): As a veteran-owned company, AOM is dedicated to delivering high-quality services, reflecting the discipline and excellence of military service.

Texas Historically Underutilized Business (HUB) Certification: AOM is recognized as a vital contributor within the state of Texas, ensuring fair and equitable opportunities in state procurement.

Texas Department of Information Resources (DIR) Contract Holder: This designation enables AOM to streamline procurement processes for state and local government entities, ensuring they receive the best value in technology solutions.

Government and Defense Collaborations:

AOM has established a robust track record of working collaboratively with various government and defense agencies, enhancing their operational capacities through innovative technology and strategic guidance. Notable collaborations include:

U.S. Military and Air Force: Providing cutting-edge technology solutions tailored to the unique needs of the military environment.

technologies.

Northrop Grumman and Boeing: Partnering with leading aerospace and defense companies to support their complex projects and initiatives.

Enterprise Partnerships:

In addition to its government and defense engagements, AOM has cultivated strong relationships with a wide array of enterprise customers, delivering scalable solutions that drive efficiency and growth. These partnerships include renowned global corporations such as:

Siemens and Ingram Micro: Enhancing their technological capabilities through innovative software and infrastructure solutions.

McDonald's and Disney: Providing strategic consulting to streamline operations and enhance customer engagement.

Goodyear: Supporting operational excellence with tailored technology solutions.

Commitment to Quality and Innovation:

At AOM, we are dedicated to maintaining the highest standards of quality and innovation. Our team is composed of highly skilled professionals who bring deep industry knowledge and expertise, ensuring that all projects are executed with precision and foresight. AOM's commitment to continuous improvement and customer satisfaction is at the core of everything we do.

Looking Forward:

As we continue to expand our services and deepen our engagements with federal, state, and local government entities, AOM remains focused on being at the forefront of technological advancements and strategic insights. Our certifications and successful collaborations are a testament to our capability and dedication to meeting the sophisticated needs of our clients in the public and private sectors.

Contact Information:
