Overview

Summary:

Wilmot Modular, an esteemed Full-Service supplier of Temporary and Permanent Modular Buildings, offers tailored solutions to meet diverse construction needs. With a specialization in custom modular buildings, mobile offices, storage containers, office containers, and more, we deliver comprehensive services from initial design to seamless installation.

As a Class "A" Licensed General Contractor operating across several states, we prioritize construction quality and safety, upholding the highest industry standards. With authorization to manage and execute a wide array of projects, our American, family-owned company boasts a rich legacy dating back to 1989. Our enduring commitment to excellence and customer satisfaction is evident through decades of experience, enabling us to deliver innovative and reliable modular construction solutions.

At Wilmot Modular, we prioritize client satisfaction, offering flexibility to initiate projects with minimal input and providing economical solutions. Our adept team excels in understanding client needs swiftly, translating them into actionable design plans while maintaining cost-effectiveness without compromising quality or functionality. Through a multidisciplinary approach, we ensure comprehensive project management from concept to completion, leveraging streamlined procurement processes to expedite construction timelines while controlling budgets effectively. With rapid mobilization of resources, our agile team is equipped to meet tight deadlines and urgent project requirements.

With access to a vast network of professionals and tradespeople, Wilmot Modular ensures quality workmanship and efficiency. Whether it's designing, procuring, or constructing, our team can rapidly bring resources to the table, ensuring a swift and successful project outcome.

Part 1 – Standard Products:

Wilmot Modular Structures offers a comprehensive range of modular buildings and containers, designed to meet a variety of space and storage needs. Here's a summary of their standard products:

- Storage Containers:** Offered in sizes 8x20 and 8x40, providing versatile storage solutions.
 - Mobile Offices:** A wide selection including single-wide buildings ranging from 8x32 to 14x64 and multi-module buildings 24x60, 24x64, and a 36x64 layout varies option, catering to diverse office space requirements.
 - Guard Houses:** Compact security solutions available in sizes 4x6 and 8x8.
 - Toilet Trailers:** Various layouts available, with sizes including 8x32, 10x50, 12x50, and 12x60, ensuring facilities for any site.
 - Shower Trailers:** Also offering varied layouts, with sizes 10x50 and 12x60, providing essential amenities for remote or temporary locations.
- This array of products emphasizes flexibility, mobility, and efficiency, catering to temporary or permanent space needs across various industries.

Part 2 – Custom Products:

Wilmot Modular Structures extends its robust lineup of modular buildings and containers with the addition of custom industrialized buildings, alongside their standard offerings of container offices, storage containers, mobile offices, guard houses, toilet trailers, and shower trailers. This specialized category emphasizes our company's capability to deliver fully customizable structures tailored to meet specific client requirements. Whether you need an office space that fits specific dimensions, a storage solution with unique features, or a fully bespoke building design, Wilmot Modular can engineer and construct modular buildings that align precisely with your project's needs. Coupled with their array of standard products, this customization service ensures that every client finds the perfect modular solution, be it off-the-shelf or tailor-made, for temporary or permanent applications across diverse industries.
