Overview

Millennium Project Solutions, Inc. is a commercial general and electrical contractor serving the greater Houston area for 25 years. We bring 80 years of contracting experience working with federal and state entities, higher education systems and independent school districts. Our capabilities include knowledge on what it takes to safely complete construction projects in critical areas like schools or active facilities. Utilizing job order contracts and understanding the purchasing process involved, we can stand by our systems as well as our workmanship. We have proven our expertise with a wide range of clients building a reputation as someone you can trust. We are woman owned, family owned and a certified Historically Underutilized Business. We strive for excellence in all we do. To learn more about our company please visit our website - www.mps-team.com
