DBS was established in 1996 as a New Jersey corporation formerly Dependable Temp Service Inc. We opened our first Texas office in June of 2003. My family and I relocated to San Antonio, Texas in December of 2009 and re-formed our business under Dependable Business Solutions now a Texas LLC. DBS has successfully targeted the Local Government and Business Industry. We currently staff numerous employees performing various tasks like Office Administration, Data Processing, Front and Back office support, Light Industrial and Hospitality.
