Overview

Unified ConneXions is a Dallas/Fort Worth, Texas, based company, committed to providing expert, professional, and state-of-the-art IT services to corporate, government, and educational institutions. UCX offers a wide range of services for any size organization. These services include network design and implementation, training in the use of the network, application training within the network, high speed wireless communications for LAN and WAN environments, and consulting for any other type of technology applications.

Our goal is to understand your needs and how technology can help move you forward to achieve your goals. Our commitment is to provide quality, turnkey solutions that meet all of your IT requirements through cost effective solutions.

Our mission is to provide technology services and solutions while incorporating the values of passion, integrity, commitment, and loyalty.
