Overview

Founded in 1999, Fielder's Choice Inc. was originated to service High School and College Coaches, Booster Clubs, Youth Leagues, Park & Recreation Departments, and School City Maintenance Departments. Our primary service was providing the newest products for assisting with athletic field construction and maintenance. It didn't take long to realize our clients were more in need of someone to actually help repair, renovate, and even construct their athletic fields. With this demand evolved the Construction and Renovation Department, specializing in athletic fields. Fielder's Choice has built over 400 athletic fields, including football, baseball, softball, soccer, and lacrosse fields, as well as running tracks and field event areas all over the state of Texas. Ex-Professional Major League Baseball Player and Manager Phil Garner, is the majority owner. Phil's partner, Tom Worthen runs the day to day operations. Tom has over 20 years of athletic field construction experience, having build University of Houston Softball field, Rice University soccer field, the Big League Dreams Complex in League City, as well as hundreds of fields in the Katy, Cy-Fair, Clear Creek, Conroe, Lamar Consolidated, Goose Creek, Aldine, New Caney, Alief, Klein, Pasadena, Houston School Districts, and many more across the state of Texas.
