Overview

Veoci is a no-code platform for business continuity, emergency operations, incident response, mass notification, and other customizable solutions. It comprises fully integrated, intuitive, and interconnected tools such as Dashboards for reporting and analysis, Alerts and Notifications, automated Workflows, virtual meeting Rooms for collaboration and document sharing, and mobile-device enablement—all with a focus on optimizing user experience, improving productivity, and facilitating business resilience. The Software-as-a-Service (SaaS) platform allows organizations to overhaul manual processes through digital transformation and automation; the system can easily accommodate additional functionality as operations evolve and expand.
