Overview

Dale Crampton Company has been in business since 1952 and is a third generation owned company. We specialize in low slope roofing which includes modified bitumen, TPO, PVC, and lightweight concrete decks. We also do metal roofing, wall panels, soffit, and all roof related sheet metal flashings. We have a sheet metal shop for the fabrication of all metal flashings. We can design a roofing project and provide roof specifications for customer's needs.
