### Overview

Command Commissioning serves as an independent, 3rd party commissioning agency, made up of highly experienced, professionals, PhD's, and technicians dedicated to sustainable building operations. Command Commissioning guarantees advanced innovation and improved efficiencies to each client it serves. We ensure what owners and managers want for their properties - creativity, energy efficiency and absolute assurance of performance on every project. Our firm utilizes the Technical Commissioning approach on projects to ensure building designs, installations, and efficiencies. Our current client list includes federal, state, and local governments, higher education institutions, federal and private financial institutions, and many others.
