Overview

OneScreen is a complete smart school technology provider with expertise in interactive touchscreens, integrated learning tools, EdTech support services, school security, and AI. For more than a decade, OneScreen has led the market with smarter, more secure classroom solutions that are custom designed to meet the needs of each school, including high-quality touchscreens and their accessories, remote learning software, AI cameras, and more.

OneScreen is the only EdTech manufacturer with a Director of Education with strong ties to the community of principals, superintendents, school IT staff, and administrators. The company is dedicated to learning as a way of life so they can deliver what matters most to their customers. OneScreen technology provides the kind of learning environment where students and teachers can perform at their very best. This people-centric approach is what fuels their EdTech design, customizations, and one-of-a-kind educator support services. OneScreen brings all essential classroom technologies together to foster student success.

Dynamic Reseller partnerships and customer enthusiasm have placed OneScreen in the "Top 500 Fastest Growing Companies in the US," published by Inc. Magazine. With a growth rate of 1007% in 2021, based on revenue and jobs created, OneScreen far exceeded the national median growth rate of 167%. In 2021, OneScreen was awarded Best Technology of the Year in the North American Office Products Awards. These awards speak volumes about OneScreen's commitment, hard work, innovation, and creative leadership in the EdTech industry. Furthermore, OneScreen is a Minority-Owned Business Enterprise registered in the state of California.

OneScreen meets all the requirements specified in the IFB to enable collaborative, interactive learning everywhere. Based in San Diego, CA, OneScreen maintains offices in Canada, Mexico, Pakistan, Colombia, and the UAE.
