Overview

RISE is a turnkey provider of energy efficiency and renewable energy services. RISE has provided services to well over 530,000 commercial, industrial, multifamily, institutional and residential buildings in New England. We are nationally recognized for our innovative delivery of conservation initiatives, and we have arranged the installation of over \$1.2 billion in energy and renewable improvements. In addition to services we provide directly to energy end-users, RISE works under contract to public utilities and other program sponsors in New England and New York. Our 350+ employees participate in our Employee Stock Ownership Program ESOP as a 100% employee-owned firm.
