Overview

CESCO is 58-year-old award-winning printing equipment and software solution provider representing Xerox, Lexmark, Hewlett Packard, Brother, Epson in multifunctional devices, printers, copiers, scanners, plotters, 3D printer, Y Soft and other proprietary software in addition to Quadient shipping and mailing equipment. The printing equipment offers many choices in software innovation. A good example of these technologies is the Xerox printer translation software for just in time cost savings in language translation. Other differentiators are the Lexmark applications for disabled workers in addition to the MFP embedded solution framework that allows users to load and run software solutions tailored to their specific needs or the industry they serve. The company also carries OEM and re-engineered toner supplies for all equipment. CESCO specializes in Managed Document Services which include Managed Print, Mobile Print, Secure Follow Me Print and Digitized Transformation in Workflow Solutions, all designed to assist in innovative efficiencies, decreased operational cost in printing, and the creation of a sustainable business model. This past year CESCO further diversified the company by adding additional innovative products such as Dell & HP in computers, laptops, and servers in addition to Rubrik Ransomware Recovery, and Cloud Data Protection Management Services. Do not Go Backward, Go Forward! CESCO has a long over 25-year successful history in serving these major manufacturers in 1st or 2nd tier position in sales, customer service, installation & training according to the customer needs. CESCO also offers Curtis Stout solutions and Zebra Printing Solutions.
