### **Overview**

<p>MMI-CPR School TEch Repair LLC DBA K-12 Tech is a full-service educational technology corporation, known for its expeditious repairs of one-to-one educational devices. As a tech company that specializes in and services only educational devices, we are fully committed to providing exceptional services to school districts within the US. ASP Certifications for Dell, Asus, Acer, Lenovo, and Apple allow us to perform quality repairs on virtually any 1:1 device you put in your students's hands. Our repairs are performed quickly, with a guaranteed 5 business day or less repair time, as well as correctly, ensuring that students get devices back as fast as possible and assisting teachers deliver quality lessons by incorporating technology. Depending on your location, items in need of repair may be picked up or mailed in. Our complimentary repair tracking software allows you to follow your devices through the repair process, pay invoices, review financial history, mass assign devices, and more. More than just repairs, we also provide a variety of protection plans, including an Accidental Protection Plan (ADP) and parental option (ADP). Both options provide full coverage for any device and guarantee fast and flawless repairs while taking the work of the repairs off your plate. As an authorized reseller of HP, Dell, Lenovo, ASUS, and Acer, we can also provide you with superior devices at the best price possible. Our website is currently the only platform that allows you to get pricing on bulk orders. Our buyback services are easy to navigate and provide you with either cash or credit towards repairs, accessories, services, or parts, allowing your technology budget to go farther.</p>
