Founded in 2020 and based in Kansas City, MO, GameDay Lighting serves athletic directors, stadium operations teams, parks and recreation departments, and professional athletics in designing and constructing LED lighting solutions.

We've completed projects for youth sports organizations, high school football fields, tennis/pickleball courts, baseball field lights, and more.

GameDay Lighting has been able to establish itself in a highly competitive market by offering value and industry knowledge our competitors can't match combined with a solutions-oriented approach to projects. Our passion for athletics motivates us to be the best in delivering professional LED lighting solutions for fields, stadiums, and athletic facilities of all sizes.

We pride ourselves on being able to offer our customers direct-from-factory savings on high-quality lighting solutions that are designed to last. Lighting installation is a massive endeavor, and so we always aim to make the process as convenient and budget-friendly for our clients.
