Overview

Technical Laboratory Systems, Inc. (Tech-Labs) was founded by Tim and Dede Brown in 1977 to meet the increasing demand for technical and vocational training in Texas and Oklahoma. Over the last 40 years, Tech-Labs has developed into a full-service educational equipment and instructional software provider and has expanded into Utah, Colorado, New Mexico, Wyoming, Idaho and Montana. Tech-Labs works with leaders in instructional software for science and technical training systems. It has become one of North America's leading suppliers of industrial training equipment and curriculum for advanced manufacturing, industrial maintenance, mechatronics, welding, renewable energy and engineering. Tech-Labs is also one of North America's largest engineering apparatus distribution companies.
