Overview

Founded in 1999, S&L provides Integrated Audio, Video, Lighting, and Control Systems for Business, Government, Education, Healthcare, Worship, and Live Production.

At S&L, we are dedicated to providing exceptional audiovisual integration solutions. Our team of experts has years of experience in the industry and is passionate about delivering customized solutions that meet your unique needs and budget.

With a focus on quality, reliability, and customer satisfaction, we work closely with our clients to design, install, and support cutting-edge audiovisual systems. Our solutions range from simple projector and screen setups to complex audio, video, and control systems that integrate with your existing technology.

We understand that technology is constantly evolving, and we stay up-to-date with the latest advancements to bring you the most advanced and effective solutions. Our team is trained to handle any technical challenge and is committed to delivering solutions that will enhance your organization's communication and collaboration capabilities.

At S&L, we believe in building long-lasting relationships with our clients. Our goal is to understand your needs and provide solutions that meet those needs now and in the future.
