Overview

APIC Solutions was founded by industry professionals who recognized a need for a company centered on quality installations, responsiveness, and service. These founding values challenge the industry norm and set a new standard for Specialty Systems Integration. The management team at APIC Solutions has a combined 100 years' industry experience in each of our three divisions, and we employ only the most skilled technicians while partnering with leading manufacturers to ensure the quality of the work we provide is consistent. Our Low Voltage and Specialty Systems Division provides Network Infrastructure including Pathways, Voice, Data, Fiber, WAPs, IDF and MDF Buildouts, Communications, Sound Systems, Intercoms, Audio/Visual Systems, Surveillance with industry leading analytics, License Plate Capture, Access Control, Lockdown, Panic/Duress Systems, Vape and Air Quality Detection and much more.

APIC Solutions A/V Division is led by some of the most knowledgeable and talented A/V designers in the country who excel at providing solutions for classrooms, meetings rooms, board rooms, digital display and much more.
