Overview

Texas Lighting LLC provides a wide variety of electrical services related to energy reduction projects, we help our customers with lighting efficiency, safety/security/fire alarm, real-time energy monitoring and utility metering projects. We provide services from design, materials, or turn-key installation from start to finish. Our team comprises of over 100 years' experience in a diverse range of industries from educational, healthcare, commercial real estate, industrial and manufacturing, mass-retail, construction, correctional, military, and agricultural. We look forward to helping our customers reduce energy usage and costs by implementing various energy conservation measures. We work closely with the following lighting manufactures: Philips Lighting, Keystone, ALEO, ASD, Halco and Sylvania and a few of our key partners in other energy related industries include Honeywell and Redaptive.
