## Overview

*We build school websites, payment processing systems, mass communication tools, and custom mobile apps that help schools engage their communities and build trust. We power over 16,500 schools on our products and services, and have been creating exclusively K-12 technology for over 20 years – our products were built for educators, by educators. Simplicity and versatility define our platforms so you can focus on what matters most - creating an even better education for your students.*
