Overview

The Center for Effective School Operations, LLC (CESO) is a full services advisory and management firm that provides expertise and supplemental support for public sector entities across North America. Our consulting services are focused on addressing a broad range of operational concerns for public sector organizations. Our projects help cities, towns, authorities, and school districts optimize the balance between the efficiency and effectiveness of their operations. We have focused extensively on designing decision-making processes that allow school districts, municipal governments, and quasi-governmental entities best balance the use of their financial, technical, human resource, and capital assets.
