Overview

Down to Earth Services, Inc. is a construction services company that is committed to its clients, employees and its community. We strive to exceed all expectations from our daily service calls to our design-build projects. We are members of ISN and Avetta safety networks and fully insured. Our projects have ranged from commercial developments to complete manufacturing facilities. Our cross-functional team is highly skilled and familiar with all industrial General Manufacturing Practices (GMP's) while working with a Safety-First mindset. We specialize in finding solutions in challenging work environments.
