Overview

Escape Classrooms are exciting new teaching resources that helps students learn in a fun, unique and effective way. They bring the ESCAPE ROOM experience into the classrooms, combining the thrill of escape games with the curriculum being taught by educators. No other educational company provides what Escape Classrooms do.

Currently we have classroom kits available for Grades 3-8 ELAR, Math, Science and Social Studies. These kits are:

- TEKS based
- Curriculum focused
- Interactive, collaborative and support a hands-on learning experience

Kits come complete with everything teachers need to facilitate an escape room experience for their students, including 10 STAAR-tested clues, props and instructional material. Plus, they help promote and develop:

- Critical Thinking
- Social Emotional Learning
- Cooperative Learning
- Metacognitive Thinking

If you have ever done escape rooms, you know how educational they can be. Escape Classrooms have made them an innovative, fun and engaging way to increase test scores and improve educational outcomes.
