Overview

QNET INFORMATION SERVICES (Qnet) is a full service technology solutions and managed services provider. Founded in 1999, Qnet is a privately held corporation with headquarters in Dallas Texas and customers serviced in Oklahoma, Louisiana, Florida, Georgia and Texas. Qnet is a certified minority small business enterprise recognized as a leader in providing managed services to small, medium and large commercial businesses, local, state, and federal government agencies. Qnet specializes in managing your business technology – specifically cyber-security, managed cloud base solutions and the management of technology infrastructures.

Qnet provides the following managed services for our clients:

- Data Center management
- Helpdesk and Desktop support services
- Network infrastructure and Server monitoring and management services
- IT supplemental staffing services
- Web application development and Hosting
- Cloud backups and disaster recovery solutions
- Microsoft Office365 email hosting
- Network cyber security solutions
- Microsoft Active Directory and Azure solutions
