TX

Overview

Dallas Automatic Gate has been doing business since 1994. We have, and continue to service customers all over the Texas market. Our services include gates, fencing, access control, entry systems, cameras, and parking systems. We are focused on providing the right solution for each customer based on their needs and budget.

Dallas Automatic Gate provides design, build, and install for all fence, gate, and access control systems. We are happy to perform a turnkey solution or provide the expertise to install and maintain existing components. We offer scheduled maintenance to reduce the downtime of any access control system (gates, door locks, etc) as well as keep your fence line clean and functional for years to come. We can also provide on call service on an as needed basis.

Dallas Automatic Gates headquarters is located in Mesquite, Texas. We have been here since our inception in 1994. DAG works with all client types including commercial, residential, municipal, and federal to name a few. No job is too small nor too large for our team. We have been around almost three decades due to our communication, versatility, and ability to exceed our customers' expectations.
