### Overview

*First Onsite is trusted disaster recovery and property restoration enterprise serving North America and beyond. We offer disaster preparedness planning before an event and provide full-service coverage after an event occurs. Our services include but are not limited to; Water and flood damage restoration, infection prevention and decontamination, fire and smoke damage restoration, catastrophic event restoration, large and complex loss recovery, mold and environmental remediation, emergency response planning, content restoration, temporary power, general contracting and reconstruction, Armor COVID decontamination, climate control, specialty cleaning, asbestos abatement. Our end-to-end services support the customer throughout the entire process, eliminating confusion between vendors and simplifying the claims process with insurance.*
