Overview

<p>Panasonic Connect North America, formerly known as Panasonic System Solutions Company of North America, is a multi-billion dollar global corporation combining over a century in business and cutting-edge design capabilities to innovate and develop products, services, and applications that address the unique technological needs of our customers, many of whom rely on technology to get them safely through their daily shift. The TOUGHBOOK line was created to address the specific challenge of hazardous work environments, providing rugged laptops, tablets, and handheld computers that withstand harsh conditions day after day. Panasonic also provides audiovisual equipment to an array of industries, including high-performance projectors, professional displays, and a wide range of professional handheld, field, and studio cameras and microphones.</p>
