Overview

Project Education provides a customizable data management platform and consulting services for Truancy, 504, RTI, ELL, Behavior, GT, CTE, Special Education and Title I. Districts can choose to use a single program or any combination from our entire suite of products. The customizable platform allows us to provide our programs nationally by customizing for state and local requirements. All programs go beyond simple compliance with the inclusion of vital progress-monitoring features. Educators can easily view the actionable data needed to make informed decisions that drive student success.
