Overview

REMS is a maintenance and repair service company that focuses primarily on medical and food grade stainless steel equipment.

We focus primarily on repairing/ servicing stainless steel equipment, and regularly moved food and medical grade equipment. Our services include: Evaluation Assessments, OEM Caster replacement, Anti-microbial caster replacement, Parts replacement, general preventative maintenance, In depth preventative maintenance, Equipment cleaning, Equipment refurbishment, Minor stainless steel welding, Minor steel welding, Assembly, and more.

Our goal is to prolong the life of your equipment. The win is saving our customers from having to buy new equipment nearly as often.
